Part II: Analysis of coherence and coordination gaps and needs in capacity-building activities of the constituted bodies and in other relevant processes under the Convention

Agenda item 5

Background

The technical paper on coherence and coordination gaps and needs in capacity-building activities of the constituted bodies and in other relevant processes under the Convention will address the following:

- Analyze coherence and coordination gaps and needs related to capacity-building activities of the constituted bodies and relevant processes under the Convention;
- Provide recommendations on utilizing synergies, avoiding duplication of work as well as on concrete areas and ways for collaboration among different bodies and processes;
- Examine the relationship between the SDGs, NDCs (specifically the principles of the NDC Partnership), the Addis Ababa Action Agenda and the Sendai Framework, and their relevance to climate-related capacity building.

The Paris Committee on Capacity-building (PCCB) will be invited to:

Consider and endorse the concept note for a technical paper on the analysis of coherence and coordination gaps and needs in capacity-building activities of the constituted bodies and in other relevant processes under the Convention.

Coherence and coordination of capacity-building under and outside the Convention

Part III: Enhancing coherence and coordination of capacity-building under and outside the Convention

- a) Dialogue with the invited representatives of the constituted bodies and operating entities
- b) Dialogue with the representatives of observer institutions

Agenda item 5

Interactive dialogue

Discussion format

- The first part of the discussion will be with the representatives of the constituted bodies and operating entities, followed by a discussion with observer institutions.

Discussion focus:

- Lessons learned and best practices from the experience of the constituted bodies on the theme of enhancing coherence and coordination with other convention bodies and processes;
- Concrete ideas and suggestions to the PCCB to enhance coherence and coordination on capacity-building activities under the convention;
- Any updates, views, suggestions or questions about already planned collaborative activities with PCCB;
- Any views and comments on the concept note for the technical paper on coherence and coordination gaps in capacity-building activities of constituted bodies and relevant processes under the Convention.
