

Implementation of the 2021–2024 workplan of the Paris Committee on Capacity-building:

- (a) Enhancing coherence and coordination of capacity-building under the Convention, with a focus on avoiding duplication of efforts, including through collaboration with bodies under and outside the Convention that engage in activities related to capacity-building;
- (b) Identifying capacity gaps and needs, both current and emerging, and recommending ways to address them;**
- (c) Promoting awareness-raising, knowledge- and information-sharing, and stakeholder engagement.

Agenda item 4

Recent activities
