

Promoting solutions toward achieving the global goal on adaptation: Opportunities for action and collaboration

ADAPTATION FORUM 2024

Participation

Target audience

Representatives of international organizations and initiatives relevant to adaptation, operating on a global or regional level, will be invited to participate. This includes, but is not limited to, organizations that have expressed interest in attending the Forum. Party experts, both online and in person, will also be invited to take part in the discussions.

Event moderators

- Cristina Rumbaitis del Rio, UN Foundation
- Timo Leiter, London School of Economics and Political Science

Nomination modalities

- **Party representatives:** To ensure balanced regional representation in light of capacity constraints, **regional Chairs and Coordinators** have been invited to facilitate the nomination of Party experts to participate in the Adaptation Forum.
- **NGO representatives:** To ensure balanced constituency representation in light of capacity constraints, **NGO constituency focal points** have been invited to facilitate the nomination of representatives to participate in the Adaptation Forum.
- **UN/IGO representatives:** A notification was circulated to UN and other international organizations in 2023 seeking expressions of interest to participate in the upcoming Forum due to its focus on international collaboration in support of adaptation action. Organizations who expressed interest at that time and whose areas of work are well aligned with the themes of the Forum are being invited to participate in the Forum, taking into consideration capacity constraints.
