

COP 24, Katowice

Monday, 3 December 2018: Party Consultations

The first plenary meeting of all governing and subsidiary bodies will be held on Sunday, 2 December 2018. The day of Monday, 3 December will be dedicated to the Leaders' Summit, and formal negotiations will begin on Tuesday, 4 December. In response to Parties' requests, the secretariat is making available a number of rooms through the day on Monday, 3 December for Parties' own consultations, should Parties wish to consult among themselves. To facilitate logistical matters, meeting rooms will be allocated by clusters/themes, so that, for example, adaptation-related consultations could be conducted in the same meeting room (see the table below). Should Parties have any questions or see the need to meet on other agenda items, please contact the secretariat at [cfleischer@unfccc.int](mailto:cfleischer@unfccc.int).
