

9 December 2019

**United Nations Climate Change Conference 2019
COP 25/CMP 15/CMA 2
Madrid, Spain, 2 – 13 December 2019**

HIGH-LEVEL SEGMENT

United Nations Climate Change Conference Madrid, Spain 2019

The high-level segment of COP 25/CMP 15/CMA 2 will be held from Tuesday, 10 December to Wednesday, 11 December 2019 and will hear national statements from Heads of State and Government, ministers and heads of delegations who have registered and confirmed their wish to deliver a statement. Parties will have only one opportunity to deliver a national statement during the high-level segment.

Upon conclusion of the delivery of national statements on Tuesday, 10 December, the high-level segment will also hear statements by Intergovernmental and non-Governmental organizations admitted by the Conference of the Parties, until 22.00.

The list below is a list of speakers who have been confirmed to deliver a statement at the high-level segment of the COP 25/CMP 15/CMA 2, including the timing slots divided in morning and afternoon/evening, for speakers.

Tickets will be required only for access and attendance at the opening of the high-level segment on Tuesday, 10 December 2019. Tickets can be collected from the Information desk of the conference until 8.30 am. on Tuesday, 10 December 2019.

Modalities for delivery of National Statements

All speakers should ensure that they are in the plenary room at least four speakers ahead of the delivery of their national statement. They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium. **Speaking slots for those who are not in the plenary at the time for delivery of their statements will be rescheduled to speak at the end of all statements of the same category.**

Given the number of Parties and the limited amount of time available for statements, it will be necessary to limit the duration of each statement. Representatives are reminded that national statements made during the high-level segment should not exceed the **three-minute limit**. To be fair to all speakers, time limits will be strictly enforced. **An electronic/mechanical device will be used to mark the 3 minutes allotted to each speaker.** This will allow **all** speakers to deliver their national statements.

Representatives whose full texts exceed three minutes may wish to deliver a shortened version in plenary; the full text of all statements delivered during the high-level segment will be uploaded and made available on the UNFCCC website. Hard copies of the full texts of the official statements will not be circulated in plenary during the high-level segment. To have statements posted on the UNFCCC website, Parties speaking at the high-level segment are requested to e-mail an electronic copy of the statement to external-relations@unfccc.int.

Please note that secretariat is not able to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and both Parties jointly notify the secretariat of the agreement that has been reached.

All Parties are kindly requested to provide the Conference Officer in the plenary with **15 copies** of their statements in advance to meet the needs of the interpreters and for the Conference records.

Should Parties not wish to speak but prefer only to have their statements uploaded to the UNFCCC website, the secretariat will arrange to have this done and enter the statement in the records of the Conference. Parties interested in taking up this option should communicate their interest in writing to the External Relations office at copprotocol@unfccc.int for the attention of Ms. Maria Laura Vinuela of the External Relations team, who will also be located at the front of the plenary during the high-level segment.

LIST OF SPEAKERS

Tuesday, 10 December 2019

(Upon conclusion of the opening of the high-level segment until 13.00)

His Excellency Mr. Taneti Maamau, President of **Kiribati**
