

## NAP Champions High Level Event

# Advancing National Adaptation Plans

## Programme

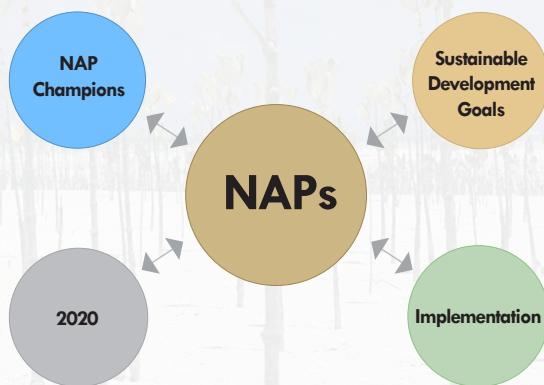

12 December 2018

1:15 to 3pm

Bieszczady Side Event Room 1, Area G, Katowice

Katowice Climate Change Conference 2018

The event is aimed at raising the profile of National Adaptation Plans (NAPs), further advancing the formulation of NAPs and exploring ways to implement the adaptation actions identified in the NAPs. The NAPs are the main instrument for countries to identify medium- and long-term adaptation needs and to develop and implement policies, programmes and projects to address those needs.
