3. The branch will also be invited to consider the organization of work of the branch, as presented in the indicative schedule, for agreement.

3. Question of implementation with respect to Liechtenstein

4. In accordance with paragraph 18(b) of the preliminary finding of the branch on the question of implementation with respect to Liechtenstein² ([document CC-2024-1-3/Liechtenstein/EB](#)) as confirmed by and annexed to the final decision of the branch ([CC-2024-1-6/Liechtenstein/EB](#)), Liechtenstein developed a compliance action plan, referred to in paragraph 5 of section XV of the procedures and mechanisms,³ and submitted it to the branch on 7 May 2025 ([CC-2024-1-7/Liechtenstein/EB](#)). The branch reviewed and assessed the plan in accordance with paragraph 6 of section XV and paragraph 2 of rule 25 bis of the rules of procedure, and found that the plan sets out and adequately addresses each of the elements specified in paragraph 6 of section XV and paragraph 1 of rule 25 bis of the rules of procedure; and if implemented, is expected to remedy the non-compliance (decision of 2 June 2025, [CC-2024-1-8/Liechtenstein/EB](#), paragraph 8).

5. At its 41st meeting, held on 23 June 2025, the branch considered the first progress report on the implementation of the compliance action plan prepared by Liechtenstein and submitted to the branch on 16 June 2025 ([CC-2024-1-9/Liechtenstein/EB](#)) and also heard directly from the representatives of Liechtenstein who were present at the meeting.

¹ Decision [4/CMP.2](#) as amended by decisions [4/CMP.4](#), [8/CMP.9](#) and [6/CMP.17](#). An informal consolidated version of the rules of procedure is accessible on the Committee's website ([here](#)).
