

Overview of mandates by objective and division (21 June 2019, 11am)

The table below responds to requests for more detail about the linkages of the work of the divisions to their mandates. It provides an overview by division, for each objective, and for the workstreams under that objective, the corresponding decisions and articles that are the main mandates guiding the work. Additional information would be found in the details of the decisions of Subsidiary Bodies and the ongoing work and continuous oversight of the Constituted Bodies.
