

## Climate-Related Risks and Opportunities reported through the Sports for Climate Action Framework Annual Report Questionnaire

Name of organization	Does your organization have climate-related risk management process?	What were the risks identified*	What were the opportunities identified*
1 Degree/11th Hour Racing	Yes	Others	Innovative technologies; Public awareness; Reduced costs; Others
AFL Players' Association	No, but we plan to do so within the next two years		
AGF Fodbold	No, but we plan to do so within the next two years		
ALBA BERLIN Basketball team	No, we do not currently plan to do so		
All England Lawn Tennis Club (Wimbledon)	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Others	Reduced costs
Arsenal Football Club	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity	Innovative technologies
AS Roma SPA	No, but we plan to do so within the next two years		
AS Roma SPA	No, but we plan to do so within the next two years		
AS Saint-Étienne	No, we do not currently plan to do so		
Ascot Racecourse Ltd	No, but we plan to do so within the next two years		

ASOBAL	No, but we plan to do so within the next two years		
Association of National Olympic Committees (ANOC)	No, but we plan to do so within the next two years		
Athena Racing Ltd.	No, but we plan to do so within the next two years		
Athletics Kenya	No, but we plan to do so within the next two years		
Atlético Mineiro SAF	No, but we plan to do so within the next two years		
ATP Tour, Inc. (ATP)	No, we do not currently plan to do so		
Australian Olympic Committee	No, but we plan to do so within the next two years		
Aviva Stadium	No, but we plan to do so within the next two years		
Banff Marathon	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Air pollution; Disruptions in the tourism industry	Innovative technologies; Public awareness
Bank of America Chicago Marathon	Yes	Heat-related illnesses	None
Barbados Olympic Association	No, but we plan to do so within the next two years		
BBC Sports	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Droughts and water scarcity; Lack of consistent snow cover and quality; Shift in geographic distribution of events; Others	Innovative technologies; Public awareness; New events and sports; Others
Belgian Olympic and Inter federal Committee	No, we do not currently plan to do so		

Birmingham County Football Association	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity	Innovative technologies; Public awareness; New events and sports Increased revenue; Reduced costs
Bohemian F.C.	No, but we plan to do so within the next two years		
Brazil Olympic Committee	No, but we plan to do so within the next two years		
Bristol Bears	No, but we plan to do so within the next two years		
Bristol City Football	No, but we plan to do so within the next two years		
Bristol Flyers Basketball Club	No, but we plan to do so within the next two years		
British Cycling	No, but we plan to do so within the next two years		
British Mountaineering Council	No, but we plan to do so within the next two years		
British Olympic Association	No, we do not currently plan to do so		
British Triathlon	No, but we plan to do so within the next two years		
Brynäs IF	No, we do not currently plan to do so		

Canada Games Council	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity; Lack of consistent snow cover and quality; Instability of ice and snow; Changes in winter sports culture; Others	Innovative technologies; Public awareness; New events and sports; Green jobs; Increased revenue; Reduced costs; Others
Canadian Olympic Committee	No, but we plan to do so within the next two years		
Cape Verde National Olympic Committee	Yes	Air pollution; Droughts and water scarcity; Disruptions in the tourism industry Impact on local economies	Public awareness; New events and sports; Green jobs; Reduced costs
Club Atlético de Madrid	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Droughts and water scarcity	Innovative technologies; Public awareness; New events and sports; Increased revenue; Reduced costs
Club Atlético de Madrid	Yes	Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Droughts and water scarcity	Innovative technologies; New events and sports; Increased revenue; Reduced costs
Colombian Olympic Committee	Yes	Heat-related illnesses; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity; Impact on local economies; Others	Innovative technologies; Public awareness; Green jobs
Comité Olímpico Argentino	No, but we plan to do so within the next two years		

Comite Olimpico Boliviano	No, we do not currently plan to do so		
Comité Olímpico de Chile	No, but we plan to do so within the next two years		
Comité Olimpico de Portugal	No, we do not currently plan to do so		
Comite Olympique Haitien	No, we do not currently plan to do so		
Comite Olympique Haitien	No, but we plan to do so within the next two years		
Commonwealth Games England	No, but we plan to do so within the next two years		
Commonwealth Games Scotland	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports	Innovative technologies
Croatian Olympic Committee	No, but we plan to do so within the next two years		
Dansk Automobil Sports Union	Yes	Extreme weather events impact on sports facilities and disrupt games	Innovative technologies
Desert Vipers	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity; Impact on local economies; Shift in geographic distribution of events	Innovative technologies; Public awareness; New events and sports; Green jobs; Increased revenue; Reduced costs
England Squash	No, but we plan to do so within the next two years		
Eritrean National Olympic Committee	No, we do not currently plan to do so		

Eswatini Olympic and Commonwealth Games Association	No, but we plan to do so within the next two years		
ETHARA	No, but we plan to do so within the next two years		
European Broadcasting Union (EBU)	No, we do not currently plan to do so		
European Network of Outdoor Sports (ENOS)	No, we do not currently plan to do so		
European Olympic Committees	No, but we plan to do so within the next two years		
European Truck Racing Association (ETRA)	Yes	Air pollution	Innovative technologies
Extreme E (XE)	No, but we plan to do so within the next two years		
Fédération Internationale de Football Association (FIFA)	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Droughts and water scarcity; Others	Public awareness; Others
Federation Internationale de Savate (FISav)	No, but we plan to do so within the next two years		
Federazione Italiana Sport Orientamento	No, but we plan to do so within the next two years		
Federazione Italiana Sport Orientamento	No, but we plan to do so within the next two years		
FIA-federation internationale de l'automobile	No, but we plan to do so within the next two years		

Finnish Golf Union	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Droughts and water scarcity; Instability of ice and snow	Innovative technologies; Public awareness; Reduced costs
Finnish Olympic Committee	No, we do not currently plan to do so		
FISU Oceania	No, but we plan to do so within the next two years		
Fondazione Milano Cortina 2026	No, but we plan to do so within the next two years		
Forest Green Rovers	Yes	Extreme weather events impact on sports facilities and disrupt games; Air pollution; Droughts and water scarcity; Impact on local economies; Shift in geographic distribution of events	Innovative technologies; Public awareness; Reduced costs
Formula 1®	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Shift in geographic distribution of events	Innovative technologies; Public awareness
Formula E	Yes	Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution Impact on local economies; Shift in geographic distribution of events	Innovative technologies; Public awareness; New events and sports; Green jobs
French Tennis Federation FFT	No, but we plan to do so within the next two years		
French Tennis Federation FFT	No, we do not currently plan to do so		

French Tennis Federation FFT	No, but we plan to do so within the next two years		
Fuechse Berlin	No, but we plan to do so within the next two years		
German Football Association (Deutscher Fußball-Bund)	Yes	Droughts and water scarcity	None
German Ski Federation (Deutscher Skiverband)	Yes	Changing playing conditions of outdoor sports; Droughts and water scarcity; Disruptions in the tourism industry; Lack of consistent snow cover and quality Instability of ice and snow; Shift in geographic distribution of events; Changes in winter sports culture	Innovative technologies; Public awareness; Green jobs
German Ski Instructors Association	No, we do not currently plan to do so		
Global Esports Federation	No, we do not currently plan to do so		
Golden State Warriors of the National Basketball Association	No, but we plan to do so within the next two years		
Golf Saudi	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Droughts and water scarcity; Others	New events and sports; Green jobs; Increased revenue
Grandma's Marathon-Duluth, Inc.	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Disruptions in the tourism industry; Impact on local economies	Public awareness; New events and sports Increased revenue; Reduced costs
Grenada Olympic Committee	No, we do not currently plan to do so		

Gunma Crane Thunders	No, we do not currently plan to do so		
Handball-Bundesliga GmbH	No, but we plan to do so within the next two years		
Hellenic Basketball Federation	No, but we plan to do so within the next two years		
Hellenic Olympic Committee	No, but we plan to do so within the next two years		
HERO Südtirol Dolomites	No, but we plan to do so within the next two years		
Hockey Australia	No, but we plan to do so within the next two years		
IMG Sports Media Production	Yes	Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Impact on local economies; Others	Innovative technologies; Public awareness; Increased revenue; Reduced costs; Others
International Basketball Federation (FIBA)	No, but we plan to do so within the next two years		
International Biathlon Union	Yes	Changing playing conditions of outdoor sports; Droughts and water scarcity; Lack of consistent snow cover and quality; Instability of ice and snow; Changes in winter sports culture	Innovative technologies
International Canoe Federation	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity; Disruptions in the tourism industry; Impact on local economies	Innovative technologies; Public awareness; Reduced costs

International Climbing and Mountaineering Federation (UIAA)	No, but we plan to do so within the next two years		
International Dart Federation	No, but we plan to do so within the next two years		
International Federation of Equestrian Sports (FEI)	No, but we plan to do so within the next two years		
International Federation of Sport Climbing	No, but we plan to do so within the next two years		
International Fistball Association (IFA)	No, but we plan to do so within the next two years		
International Floorball Federation	No, but we plan to do so within the next two years		
International Golf Federation (IGF)	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Droughts and water scarcity; Others	Innovative technologies; Public awareness; Others
International Golf Federation (IGF)	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Droughts and water scarcity; Others	Innovative technologies; Public awareness; Others
International Hockey Federation (FIH)	No, we do not currently plan to do so		
International Ice Hockey Federation	No, but we plan to do so within the next two years		
International Judo Federation	No, we do not currently plan to do so		
International Olympic Committee	No, but we plan to do so within the next two years		

International Orienteering Federation (IOF)	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Lack of consistent snow cover and quality; Shift in geographic distribution of events	Public awareness
International Rafting Federation IRF	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Droughts and water scarcity; Disruptions in the tourism industry; Lack of consistent snow cover and quality; Instability of ice and snow; Impact on local economies; Shift in geographic distribution of events	Public awareness; New events and sports; Reduced costs
International SAMBO Federation (FIAS)	No, but we plan to do so within the next two years		
International Ski Federation (FIS)	No, but we plan to do so within the next two years		
International Surfing Association	No, we do not currently plan to do so		
International Table Tennis Federation	Yes	Extreme weather events impact on sports facilities and disrupt games; Disruptions in the tourism industry	Others
International Table Tennis Federation	Yes	Extreme weather events impact on sports facilities and disrupt games; Disruptions in the tourism industry	None

International Triathlon Union (ITU)	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution Impact on local economies; Shift in geographic distribution of events; Others	Innovative technologies; Public awareness
International University Sports Federation	No, but we plan to do so within the next two years		
International Weightlifting Federation (IWF)	No, but we plan to do so within the next two years		
International World Games Association (IWGA)	No, we do not currently plan to do so		
Ju-Jitsu International Federation	No, we do not currently plan to do so		
Juventus	No, but we plan to do so within the next two years		
K League	Yes	Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution	Public awareness
Kenneth Hansen Motorsport AB	Yes	Air pollution; Others	Innovative technologies; Public awareness; New events and sports; Increased revenue
Kernow Storm Futbol Club	No, but we plan to do so within the next two years		
LA Clippers LLC	No, we do not currently plan to do so		
La Liga	No, but we plan to do so within the next two years		
Little Dot Studios	No, but we plan to do so within the next two years		

Liverpool Football Club	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity; Impact on local economies; Others	Innovative technologies; Public awareness; Reduced costs
London Marathon Events Ltd	No, but we plan to do so within the next two years		
Maldives Olympic Committee	No, we do not currently plan to do so		
Marylebone Cricket Club	No, we do not currently plan to do so		
McLaren Racing	No, but we plan to do so within the next two years		
Melbourne Cricket Club	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity	Innovative technologies; Public awareness
MetLife Stadium	No, we do not currently plan to do so		
Minnesota Wild	No, but we plan to do so within the next two years		
Motorsport UK	Yes	Extreme weather events impact on sports facilities and disrupt games; Air pollution; Impact on local economies; Others	Innovative technologies; Public awareness; New events and sports; Increased revenue; Reduced costs

Munster Rugby	Yes	Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Droughts and water scarcity; Impact on local economies; Shift in geographic distribution of events	Innovative technologies; Public awareness; New events and sports; Green jobs; Increased revenue; Reduced costs
Nagoya Diamond Dolphins	No, we do not currently plan to do so		
Nagoya Diamond Dolphins	No, we do not currently plan to do so		
Nagoya Diamond Dolphins	No, we do not currently plan to do so		
National Basketball Association (NBA)	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Air pollution; Droughts and water scarcity; Disruptions in the tourism industry; Impact on local economies; Shift in geographic distribution of events	Innovative technologies; Public awareness; New events and sports; Green jobs; Increased revenue; Reduced costs
National Olympic Committee and Sports Confederation of Denmark	No, but we plan to do so within the next two years		
National Olympic Committee of Zambia	No, but we plan to do so within the next two years		
New York Mets	Yes	Extreme weather events impact on sports facilities and disrupt games	Innovative technologies; Increased revenue; Reduced costs

New York Road Runners (NYRR)	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity; Disruptions in the tourism industry Impact on local economies; Others	Innovative technologies; Public awareness; Others
New York Yankees	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity; Disruptions in the tourism industry; Instability of ice and snow Impact on local economies; Shift in geographic distribution of events; Changes in winter sports culture	Innovative technologies; Public awareness; New events and sports; Green jobs; Increased revenue; Reduced costs
Newcastle United Football Club	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity; Others	Innovative technologies; Public awareness; Reduced costs
NFL Green	No, but we plan to do so within the next two years		
NOC NSF	No, we do not currently plan to do so		
Northampton Saints Plc	No, but we plan to do so within the next two years		

Norwegian Olympic and Paralympic Committee and Confederation of Sports	No, but we plan to do so within the next two years		
ODESUR	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity; Disruptions in the tourism industry; Lack of consistent snow cover and quality; Instability of ice and snow; Impact on local economies; Shift in geographic distribution of events; Changes in winter sports culture	Innovative technologies; Public awareness; New events and sports; Green jobs; Increased revenue; Reduced costs
Olympic Committee of Israel	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports	Innovative technologies; Public awareness
Olympic Federation of Ireland	No, but we plan to do so within the next two years		
Olympic Federation of Ireland	No, but we plan to do so within the next two years		
option_285	No, we do not currently plan to do so		
Pan American Weightlifting Federation	No, but we plan to do so within the next two years		

Paraguayan Olympic Committee	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity; Disruptions in the tourism industry; Impact on local economies; Shift in geographic distribution of events	Public awareness; New events and sports; Green jobs; Increased revenue; Reduced costs
Paraguayan Olympic Committee	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity; Disruptions in the tourism industry; Impact on local economies; Shift in geographic distribution of events	Innovative technologies; Public awareness; New events and sports; Green jobs; Increased revenue; Reduced costs
Peruvian Olympic Committee	No, but we plan to do so within the next two years		
PGA European Tour	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity; Disruptions in the tourism industry; Impact on local economies; Shift in geographic distribution of events; Others	Innovative technologies; Public awareness; New events and sports; Green jobs; Increased revenue; Reduced costs
Premier League	Yes	Extreme weather events impact on sports facilities and disrupt games	Others

Professional Squash Association - PSA	No, but we plan to do so within the next two years		
Professional Triathletes Organisation	No, but we plan to do so within the next two years		
Professional Triathletes Organisation	No, but we plan to do so within the next two years		
PUERTO RICO SOCCER LEAGUE	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports	Innovative technologies; Public awareness; Green jobs; Reduced costs
Real Betis Balompié	No, but we plan to do so within the next two years		
Richmond Football Club	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports	Others
Richmond Football Club	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports	Others
Royal Yachting Association	No, but we plan to do so within the next two years		
Royale Union Saint Gilloise	No, but we plan to do so within the next two years		
Run Ottawa	No, we do not currently plan to do so		

SailGP	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Air pollution; Droughts and water scarcity; Shift in geographic distribution of events	Innovative technologies; Public awareness; Increased revenue; Reduced costs
SailGP (Australia, Canada, Denmark, Emirates, France, Germany, Great Britain, New Zealand, Spain, United Kingdom, United States)	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Air pollution; Droughts and water scarcity; Shift in geographic distribution of events	Innovative technologies; Public awareness; Increased revenue; Reduced costs
SailGP Australia Team	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Air pollution; Shift in geographic distribution of events	Innovative technologies; Public awareness Increased revenue; Reduced costs
SailGP Black Foils, New Zealand Team	No, we do not currently plan to do so		
SailGP Canada Team	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Air pollution; Shift in geographic distribution of events	Innovative technologies; Public awareness; Increased revenue; Reduced costs
SailGP Canada Team	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games Air pollution; Shift in geographic distribution of events	Innovative technologies; Public awareness; Increased revenue; Reduced costs
SailGP Emirates Great Britain Team	No, but we plan to do so within the next two years		
SailGP France Team	No, we do not currently plan to do so		

SailGP Germany Team	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Air pollution; Shift in geographic distribution of events	Innovative technologies; Public awareness; Increased revenue; Reduced costs
SailGP ROCKWOOL Denmark Team	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Air pollution; Shift in geographic distribution of events	Innovative technologies; Public awareness; Increased revenue; Reduced costs
SailGP Spain Team	No, we do not currently plan to do so		
SCP Malizia	Yes	Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Shift in geographic distribution of events	Innovative technologies; Public awareness; New events and sports
Sentosa Golf Club	Yes	Droughts and water scarcity; Disruptions in the tourism industry; Others	Innovative technologies; Public awareness; Green jobs; Others
Silverstone Circuits Limited	No, but we plan to do so within the next two years		
Sky Sports	Yes	Others	Others
Snowboarding Germany	Yes	Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Lack of consistent snow cover and quality; Instability of ice and snow; Shift in geographic distribution of events; Changes in winter sports culture	Public awareness; New events and sports

Spanish Olympic Committee	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity; Disruptions in the tourism industry; Lack of consistent snow cover and quality; Instability of ice and snow Impact on local economies; Shift in geographic distribution of events; Changes in winter sports culture; Others	Innovative technologies; Public awareness; New events and sports; Green jobs; Increased revenue; Reduced costs
Sport England	Yes	Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity; Others	Public awareness; Others
St. Vincent and the Grenadines Olympic Committee	No, but we plan to do so within the next two years		
Stichting Wintersporten / Alternatieve Elfstedentocht Weissensee	No, but we plan to do so within the next two years		
Surrey County Cricket Club	No, but we plan to do so within the next two years		
Surrey County Football Association	No, but we plan to do so within the next two years		
SV Werder Bremen	No, but we plan to do so within the next two years		
Swedish Athletics Association	No, but we plan to do so within the next two years		
Swedish Olympic Committee (NOC Sweden)	No, but we plan to do so within the next two years		

Swiss Olympic	No, but we plan to do so within the next two years		
Tapiolan Honka basketball club	No, we do not currently plan to do so		
Tennis Australia	No, but we plan to do so within the next two years		
The England and Wales Cricket Board	Yes	Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Droughts and water scarcity	Innovative technologies
The Football Association England	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Droughts and water scarcity; Impact on local economies	Innovative technologies; Public awareness; Increased revenue; Reduced costs
The Jockey Club	Yes	Extreme weather events impact on sports facilities and disrupt games; Droughts and water scarcity	Public awareness
The LTA	No, but we plan to do so within the next two years		
The Ocean Race	No, but we plan to do so within the next two years		
Tottenham Hotspur Football Club	No, but we plan to do so within the next two years		
Tour de Suisse	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Air pollution; Droughts and water scarcity	Public awareness; New events and sports

Trinidad and Tobago Olympic Committee (TTOC)	No, but we plan to do so within the next two years		
TSG Hoffenheim SpielbetriebsGmbH	No, but we plan to do so within the next two years		
TSG Hoffenheim SpielbetriebsGmbH	No, we do not currently plan to do so		
Tunisian National Olympic Committee (CNOT)	No, but we plan to do so within the next two years		
UK Sport	No, but we plan to do so within the next two years		
Union Cycliste Internationale	Yes	Heat-related illnesses; Extreme weather events impact on sports facilities and disrupt games; Changing playing conditions of outdoor sports; Impact on local economies; Others	Innovative technologies; Public awareness; Green jobs; Increased revenue; Reduced costs; Others
Union of European Football Associations (UEFA)	Yes	Extreme weather events impact on sports facilities and disrupt games; Air pollution; Droughts and water scarcity; Shift in geographic distribution of events	Innovative technologies; Public awareness; Green jobs
Union of European Football Associations (UEFA)	Yes	Heat-related illnesses; Air pollution; Droughts and water scarcity; Shift in geographic distribution of events	Innovative technologies; Public awareness; Green jobs
United States Esports Association	No, but we plan to do so within the next two years
