OVERVIEW OF THE NDC PARTNERSHIP

THE OBJECTIVE

A global coalition of countries and institutions working to mobilize support and **achieve ambitious climate goals** while **enhancing sustainable development**.

WHO WE ARE

86 COUNTRY MEMBERS

19 INTERNATIONAL INSTITUTIONS

9 ASSOCIATE MEMBERS

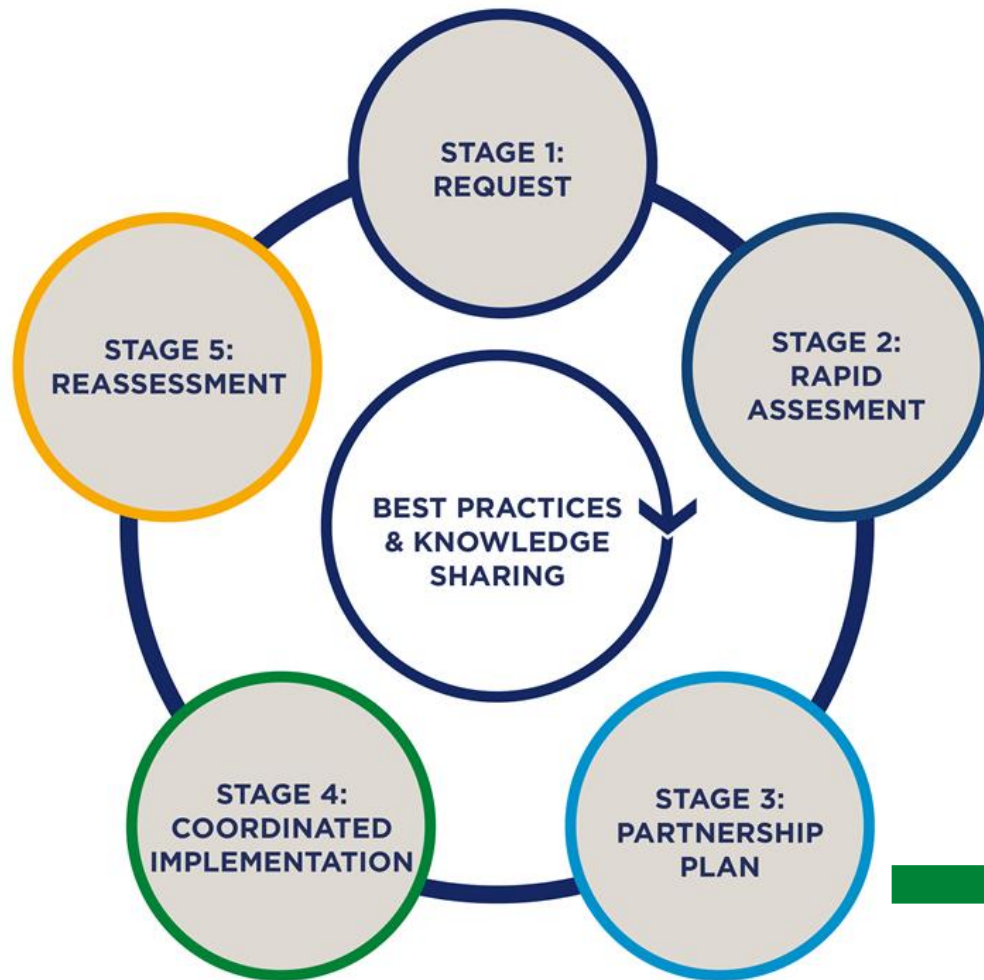

HOW WE WORK

THREE PILLARS:

1. Country Engagement
2. Knowledge and Learning
3. Finance (integrated)

COUNTRY ENGAGEMENT

PARTNERSHIP PLAN

- Results-based framework showing demand and supply
- Tool for coordination and transparency
- Resource Mobilization
- Future programming of funds, project development/acquisition

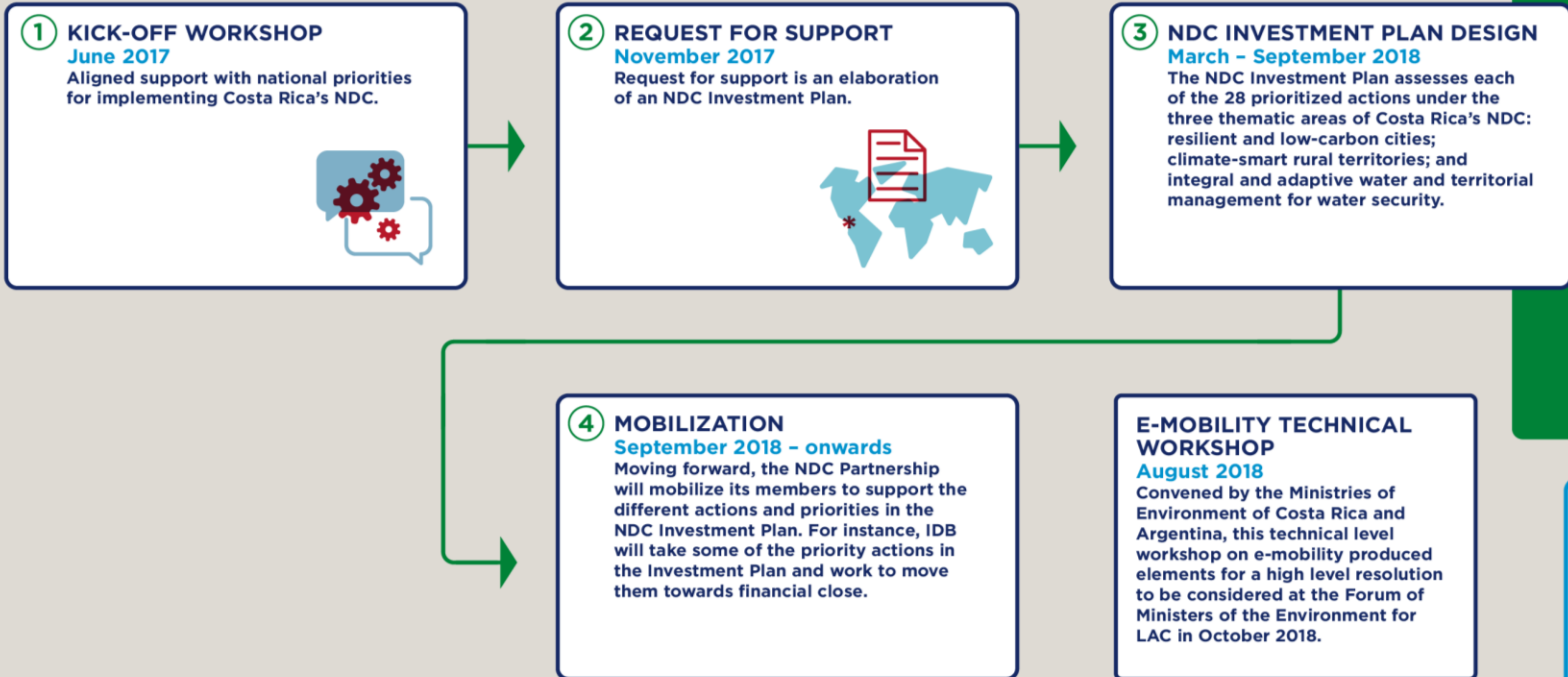

COUNTRY ENGAGEMENT

ACTIVE IN 36 COUNTRIES

COSTA RICA NDC INVESTMENT PLAN

Advancing climate action through an NDC Investment Plan

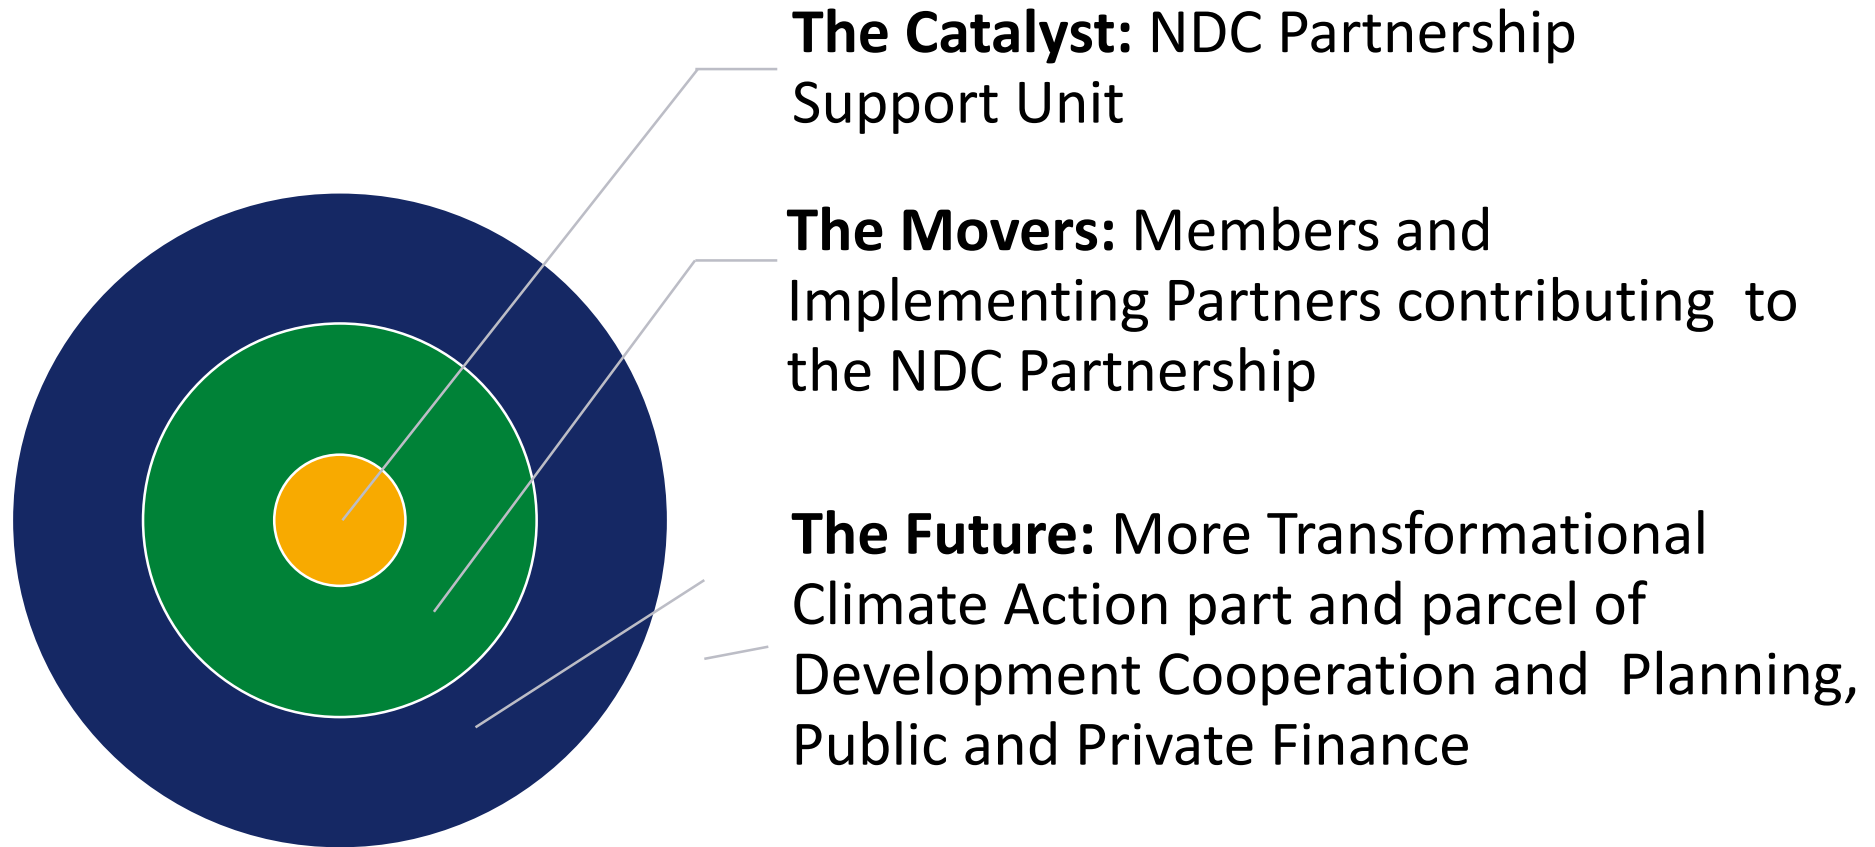

NDC INVESTMENT PLAN

For each prioritized action, the following data and analysis has been conducted:

- Existing information and progress;
- Characterization of actions (technical assistance, technology transfer, infrastructure development, capacity building, feasibility studies, etc);
- Identification of lead government institutions and other relevant actors (public or private) to be involved;
- Estimate of the financial needs for implementing the action;
- Analysis of co-benefits with SDGs.

THE “ONION” MODEL: MOBILIZING RESOURCES TO DELIVER ON THE PARIS AGREEMENT

OPPORTUNITIES FOR COLLABORATION

OPPORTUNITY

Alignment has great potential

Consider existing NBF processes during Country Engagement

Integrate NBF supported action and outcomes into Partnership Plan process

Link support in-country to further enhance collaborative activities

Align implementation

Share experience

KNOWLEDGE AND LEARNING

TURNING LOCAL KNOW-HOW INTO GLOBAL ACTION

- **Knowledge Portal:**
 - *Lessons from the Field:* Case study database
 - *Climate Fund Explorer:* Matching funding opportunities to specific needs
