

SBI 56 - 57

Issue	Mandate Reference	Session	Mandate Text	Relevant additional mandates
Status of submission and review of seventh and eighth national communications and third, fourth and fifth biennial reports from Parties included in Annex I to the Convention	Decision 2/CP.17, paras. 14–15. FCCC/SBI/2019/20, para. 12 SBI/L.10 Decision XX/CP.26	SBI 56	COP 17 requested developed country Parties to submit full NCs every four years, and BRs starting in 2014 as an annex to the NC or as a separate report. Accordingly, developed countries were to submit their NC7s and BR3s by 1 January 2018. At SBI 51 it was agreed to continue consideration of the status of submission and review of NC7s and BR3s at SBI 52. Developed countries were also to submit their BR4s by 1 January 2020.	SBI 52-55 agreed to defer consideration to SBI 56
Compilations and syntheses of second, third, fourth and fifth biennial reports from Parties included in Annex I to the Convention;	Decision 2/CP.17, para. 21 FCCC/SBI/2019/20, para. 12	SBI 56	The consideration of the report was initiated at SBI 45 and continued at subsequent sessions without any conclusions being reached. The secretariat also prepared a compilation and synthesis report on the information reported by Annex I Parties in their BR3s for consideration at COP 24. At SBI 51 it was agreed to continue consideration of this matter at SBI 52	SBI 52-55 agreed to defer consideration to SBI 56
Reports on national greenhouse gas inventory data from Parties included in Annex I to the Convention for 1990–2016 and 1990–2017	Decision 13/CP.20, para 10. FCCC/SBI/2019/20, para. 12.	SBI 56	COP 20 decided that a summary of the document mentioned in paragraph 8 above will be published in electronic format for consideration by the Conference of the Parties and the subsidiary bodies, and that this summary will include trends in greenhouse gas emissions by sources and removals by sinks and an assessment of the adherence of the reported inventory information to the “Guidelines for the preparation of national communications by Parties included in Annex I to the Convention, Part I: UNFCCC reporting guidelines on annual greenhouse gas inventories” and the provisions of relevant decisions of the Conference of the Parties, including information on any delays in submitting the annual inventory information. The 2018	SBI 52-55 agreed to defer consideration to SBI 56

			report covers 1990–2016 and was considered at SBI 49, 50 and 51, while the 2019 report covering 1990–2017 was considered at SBI 51. The SBI agreed to continue its consideration of this matter at SBI 52.	
Revision of ICA modalities	FCCC/SBI/2019/9, para. 30	COP 27 SBI 56	Initially to be considered at COP 23. SBI agreed to leapfrog consideration to be able to gain more experience. COP 27 is not a hard deadline.	SBI 52-55 agreed to continue consideration at SBI 56.
Date of completion of the expert review process under Art. 8 of the Kyoto Protocol for the second commitment period.	CMP 16 conclusion	SBI 56 CMP 17	For the purpose of fulfilling commitments under Article 3, paragraph 1, of the Kyoto Protocol, a Party may, until the hundredth day after the date set by the CMP for the completion of the expert review process under Article 8 of the Kyoto Protocol for the last year of the commitment period (true-up period), continue to acquire, and other Parties may transfer to such Party, emission reduction units under Articles 6, 12 and 17 of the Kyoto Protocol from the preceding commitment period, provided that the eligibility of any such Party has not been suspended. The second commitment period of the Kyoto Protocol ended on 31 December 2020, and the annual submission of the greenhouse gas inventory for the last year of the commitment period (2020) is due by 15 April 2022. The submission is followed by the expert review process under Article 8 of the Kyoto Protocol, which is completed with the publication of the inventory review report for the last year of the second commitment period (at the latest by mid-2023).	The CMP referred this item to the SBI for consideration at its 56th session with a view to recommending a decision for consideration and adoption at CMP 17
Information contained in NAI NCs		SBI 56	Held in abeyance at SBI 52-55	
Provision of financial and technical support		SBI 56	Rule 16 at SBI 52-55

Revision of IAR modalities	FCCC/SBI/2019/9, para .19	SBI 56 COP 27	Initially to be considered at COP 23. SBI agreed to leapfrog consideration to be able to gain more experience. COP 27 is not a hard deadline.	SBI 52-55 agreed to continue consideration at SBI 56.
Matters relating to the CDM registry for the implementation of decision 3/CMA.3, paragraph 75(b).	x/CMP.16, para. 9	SBI 56 CMP 17	CMP requests the Subsidiary Body for Implementation to consider measures to implement aspects relating to the clean development mechanism registry in decision - /CMA.3,10, 11 to develop recommendations for consideration by the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol at its seventeenth session (November 2022);	
LDC matters	x/COP.26, paras. 19-20	SBI 56 COP 27/CMA 4	LEG to develop, taking into account its current practices and its terms of reference, its draft rules of procedure, for consideration and adoption by COP 27 and CMA 4	20. Also requests the LEG to include in its draft rules of procedure provisions on, inter alia, the nomination, term limits and rotation of its members
NAPs	FCCC/SBI/2021/XX, para. XX FCCC/SBI/2021/L11, para. 4	SBI 56 COP 27	The SBI initiated consideration of information from the reports of the Adaptation Committee and the Least Developed Countries Expert Group, including on gaps and needs and the implementation of NAPs. It decided to continue its consideration of this matter at SBI 56 (June 2022) on the basis of the draft text elements prepared by the co-facilitators for this agenda item, with a view to recommending a draft decision on this matter for consideration and adoption by the Conference of the Parties at its twenty-seventh session (November 2022).	
Glasgow Dialogue on loss and damage	1/CMA.3, paras 73-74	SBI 56 to SBI 60 (first sessional period)	Decides to establish the Glasgow Dialogue between Parties, relevant organizations and stakeholders to discuss the arrangements for the funding of activities to avert, minimize and address loss and damage associated with the adverse impacts of climate change, to take place in the first sessional period of each year of the Subsidiary Body for Implementation, concluding at its sixtieth session (June 2024);	

SBI 56 - 57

Issue	Mandate Reference	Session	Mandate Text	Relevant additional mandates
			Requests the Subsidiary Body for Implementation to organize the Glasgow Dialogue in cooperation with the Executive Committee of the Warsaw International Mechanism for Loss and Damage associated with Climate Change Impacts;	
Linkages between the Technology Mechanism and the Financial Mechanism of the Convention	FCCC/SBI/2021/L.10	SBI 56 COP 27	(c) Agreed to continue consideration of this matter at its fifty-sixth session with a view to recommending a draft decision thereon for consideration and adoption by the Conference of the Parties at its twenty-seventh session (November 2022).	(b) Requested the secretariat to prepare, subject to the availability of financial resources, an information note on activities undertaken by the Technology Executive Committee, the Climate Technology Centre and Network and the operating entities of the Financial Mechanism to strengthen linkages between the Technology Mechanism and the Financial Mechanism for consideration by the Subsidiary Body for Implementation at its fifty-sixth session (June 2022);
Scope of and modalities for the periodic assessment referred to in paragraph 69 of decision 1/CP.21	Decision 16/CMA.1, Annex para. 7	SBI 56 CMA 4	The Subsidiary Body for Implementation (SBI) supports the CMA by: (a) Considering the interim report and providing guidance to the secretariat for preparing the final report. The SBI does this in its first sessional period in the year after that in which the CMA initiated the assessment; (b) Preparing draft recommendations for consideration and adoption by the CMA, as appropriate, based on a consideration of the final report	
(Poznan) 4th synthesis report on technology needs	FCCC/SBI/2019/9, para. 84	SBI 56 (Under Poznan item)	SBI 50 requested the secretariat to prepare an updated synthesis report on technology needs assessments, including the technology needs assessments and technology	SBI 52-55 agreed to continue consideration at SBI 56.

SBI 56 - 57

Work of the Least Developed Countries Expert Group	Decision 6/CP.16, para 3	Considered at each SBI session, including reports on its most recent meeting	The LEG develops a two-year rolling programme of work for consideration by the SBI at its first sessional meeting of each year and reports on its work to the SBI at each of its sessions.	
Summary reports on the technical analysis of biennial update reports of Parties not included in Annex I to the Convention	Decision 2/CP.17, annex IV, para. 5, and decision 20/CP.19, annex, para. 11	Presented at each SBI session	COP 17 requested non-Annex I Parties to submit BURs every two years, noting that the least developed country Parties and small island developing States may submit BURs at their discretion. A technical analysis of the BUR is conducted by a team of technical experts in consultation with the Party, which results in a summary report. The summary report on the technical analysis of each BUR is made available on the UNFCCC website and presented to the SBI.	
Implementation of the framework for capacity-building in developing countries	Decision 2/CP.7, paras 1 and 10.	Considered at each SBI session	COP 7 adopted the framework for capacity-building in developing countries and requested the progress of implementation of the framework to be regularly monitored and reported on to the COP at each of its sessions.	
Capacity-building work of bodies established under the Convention and its Kyoto Protocol.	Decision 2/CP.17, paragraph 146 Decision 1/CP.18, paragraph 78	Considered at each spring session	Requests the secretariat to continue to prepare the reports referred to in decision 2/CP.7, paragraph 9(c), and decision 4/CP.12, paragraph 1(c), as well as the compilation and synthesis reports referred to in decision 2/CP.17, paragraphs 146 and 150, and to make the reports available to the Subsidiary Body for Implementation at its sessions coinciding with the meetings of the Durban Forum, in order to facilitate the discussions at those meetings;	
Arrangements for intergovernmental meetings	Convention Art.8.2, Kyoto Protocol Art.14.2, Paris Agreement Art. 17.2	Considered at each spring session	Article 8, paragraph 2, of the Convention, Article 14, paragraph 2, of the Kyoto Protocol and Article 17, paragraph 2, of the Paris Agreement provide that the functions of the secretariat shall be, inter alia, to make arrangements for sessions of the COP, the CMP and the CMA (hereinafter the governing bodies) and the subsidiary

Standing SBI agenda items (ongoing monitoring of implementation issues. Work under these items includes consideration of reports and other documents prepared by the secretariat and relevant constituted bodies according to their work plans.)

- Reporting and review from Annex I Parties (each session)
- Reporting from non-Annex I Parties (each session, including the work of the CGE at session held in conjunction with the COP)
- LDC matters (each session)
- Poznan strategic programme on technology (session held in conjunction with the COP)
- Capacity-building under the Convention and the Kyoto Protocol (each session)
- Report on ACE activities (session held in conjunction with the COP)
- Gender and climate change (session held in conjunction with the COP)
- Arrangements for intergovernmental meetings (Spring session)
- Administrative, financial and institutional matters (each session)

Recurring mandated events convened in conjunction with SBI sessions:

- Multilateral assessment under the IAR process (as needed)
- Facilitative Sharing of views under the ICA process (as needed)
- ACE Dialogue (Spring session)
- Durban Forum on Capacity-Building (Spring session)
- Meetings of the Paris Committee on Capacity Building (Spring session)
- Gender workshops under the GAP (as per GAP)

SBSTA 56 - 57

Issue	Mandate Reference	Session	Mandate Text	Relevant additional mandates
Dialogue on the ocean and climate change	1/CP.26, para. 61	56, COP 27	Also invites the Chair of the Subsidiary Body for Scientific and Technological Advice to hold an annual dialogue, starting at the fifty-sixth session of the Subsidiary Body for Scientific and Technological Advice (June 2022), to strengthen ocean-based action and to prepare an informal summary report thereon and make it available to the Conference of the Parties at its subsequent session	60. • Invited the relevant work programmes and constituted bodies under the UNFCCC to consider how to integrate and strengthen ocean-based action in their existing mandates and workplans and to report on these activities within the existing reporting processes, as appropriate ;
Dialogue on the relationship between land and climate change adaptation related matters	1/CP.26, para. 59	COP 27	Requests the Chair of the Subsidiary Body for Scientific and Technological Advice to prepare an informal summary report thereon and make it available to the Conference of the Parties at its twenty-seventh session	59. Invites Parties to submit views on how to enhance climate action on land under the existing UNFCCC programmes and activities in paragraph 75 of the report on the dialogue on the relationship between land and climate change adaptation related matters referred to in paragraph 58 ;
Methodological issues under the Convention Revision of the UNFCCC reporting guidelines on annual inventories for Parties included in Annex I to the Convention	FCCC/SBSTA/2013/5, para. 82	56	The SBSTA agreed to further discuss the reporting of carbon dioxide emissions/removals relating to harvested wood products, taking into account Parties' experience in reporting on harvested wood products, including their experience in the use of the different approaches set out in the 2006 IPCC Guidelines for National Greenhouse Gas Inventories. It also agreed to continue such discussions at SBSTA 46. SBSTA51 noted that Parties had not been able to agree on conclusions. In accordance with rule 16 of the draft rules of procedure being applied, the matter will be included on the provisional agenda for SBSTA 52.	SBSTA 52-55 agreed to defer consideration to SBSTA 56
Common metrics to calculate the carbon dioxide	FCCC/SBSTA/2017/7, para. 83	56	Continue consideration of common metrics at SBSTA 50 (June 2019) to be able to take into account the deliberations under the APA on common metrics.	SBSTA51 noted that Parties had not

equivalence of greenhouse gases			been able to agree on conclusions. In accordance with rule 16 of the draft rules of procedure being applied, the matter will be included on the provisional agenda for SBSTA 52.	SBSTA 52-55 agreed to defer consideration to SBSTA 56
Land use, land-use change and forestry under Article 3, paragraphs 3 and 4, of the Kyoto Protocol and under the clean development mechanism	2/CMP.7, paras. 5, 6, 7, 10	56	<p>CMP7 (Doha, Dec 2011) requested the SBSTA to initiate four work programmes related to LULUCF matters under the Kyoto Protocol by decision 2/CMP.7: Land use, land-use change and forestry.</p> <p>The four work programmes were mandated as follows:</p> <p>(a) To explore more comprehensive accounting of anthropogenic emissions by sources and removals by sinks from LULUCF activities, including through a more inclusive activity-based approach or a land-based approach, and report to the CMP on the outcomes of the work programme (decision 2/CMP.7, paragraph 5);</p> <p>(b) To consider and, as appropriate, develop and recommend modalities and procedures for possible additional LULUCF activities under the CDM with a view to forwarding a draft decision on this matter to the CMP (decision 2/CMP.7, paragraph 6);</p> <p>(c) To consider and, as appropriate, develop and recommend modalities and procedures for alternative approaches to addressing the risk of nonpermanence under the CDM with a view to forwarding a draft decision on this matter to the CMP (decision 2/CMP.7, paragraph 7);</p> <p>(d) To develop and recommend modalities and procedures for applying the concept of additionality with a view to forwarding a draft decision on this matter to the CMP (decision 2/CMP.7, paragraph 10);</p>	52-55 agreed to defer consideration of this matter to SBSTA 56.
Implications of the inclusion of reforestation of lands with forest in exhaustion as afforestation and reforestation clean development	2/CMP.4, para. 42	56	CMP 4 (Poznan, Dec 2008) requested the Executive Board of the CDM to assess the implications of the possible inclusion of lands with forests in exhaustion as afforestation and reforestation CDM project activities. In its recommendation the Board agreed that the legal implication of the above definition was a revision of decision 16/CMP.1, annex, section D, by introducing a new paragraph 13 (bis) as follows: "For the first commitment period, reforestation activities shall be limited to reforestation occurring on those lands that did not contain forest or contained forest in exhaustion on 31 December 1989."	52-55 agreed to defer consideration of this matter to SBSTA 56.

mechanism project activities	2/CMP.5, para. 28		CMP 5 (Copenhagen, Dec 2009) requested the SBSTA to assess the implications of the recommendation made by the Executive Board of the CDM in response to the above mandate. Following the above mandate, the SBSTA has considered this agenda item from SBSTA 32 to SBSTA 50 without reaching an agreement. During this period this agenda item has skipped some sessions in order to allow time for Parties' views to develop.	
Reporting and review under Article 13 of the Paris Agreement: Options for conducting reviews on a voluntary basis of information reported pursuant to decision 18/CMA.1, annex, chapter IV (adaptation information) and respective training courses	5/CMA.3, para. 38	SBSTA 56 CMA 4	<i>Requests</i> the SBSTA to consider the options for conducting reviews on a voluntary basis of the information reported pursuant to decision 18/CMA.1, annex, chapter IV, and respective training courses needed to facilitate these voluntary reviews, including the associated budgetary considerations, with a view to a decision at CMA.4	
Cooperative approaches Art 6.2 of the PA: recommendations on special circumstances of LDCs and SIDS, and corresponding adjustments	2/CMA.3, para. 3	SBSTA 56, CMA 4	Requests the Subsidiary Body for Scientific and Technological Advice to undertake the following work, on the basis of the guidance in the annex, to develop recommendations for consideration and adoption by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement at its fourth session (November 2022) on: <ul style="list-style-type: none"> a. The special circumstances of the least developed countries and small island developing States; b. Elaboration of further guidance in relation to corresponding adjustments for multi-year and single-year nationally determined contributions, in a manner that ensures the avoidance of double counting, on: <ul style="list-style-type: none"> i. Methods for establishing an indicative trajectory, trajectories or budgets and for averaging, including with respect to relevant indicators, and for calculating 	Cooperative approaches Art 6.2 of the PA: recommendations on special circumstances of LDCs and SIDS, and corresponding adjustments

			<p>cumulative emissions by sources and removals by sinks;</p> <p>ii. Methods to demonstrate the representativeness of averaging for corresponding adjustments by quantifying how much the yearly transaction volume differs from the average for the period;</p> <p>Consideration of whether internationally transferred mitigation outcomes could include emission avoidance;</p>	
<p>Cooperative approaches Art 6.2 of the PA: recommendations on tables and outlines for reporting</p>	2/CMA.3, para. 6	SBSTA 56, CMA 4	<p>Also requests the Subsidiary Body for Scientific and Technological Advice to develop tables and outlines for the information required pursuant to chapter IV of the annex (Reporting), including the agreed electronic format referred to in chapter IV.B of the annex (Annual information), on the basis of the submissions referred to in paragraph 4 above and taking into account the options developed pursuant to paragraph 5 above for consideration and adoption by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement at its fourth session;</p>	<p>Para.4: Invites submissions from Parties on options for the tables and outlines for the information required pursuant to chapter IV of the annex (Reporting), by 31 March 2022 via the submission portal;</p> <p>Para. 5: Requests the secretariat to organize a technical workshop, ensuring broad participation of Parties, to develop options for the tables and outlines for the information required pursuant to chapter IV of the annex (Reporting), including the agreed electronic format referred to in chapter IV.B of the annex (Annual information), on the basis of the information in those chapters, for consideration by the Subsidiary Body for Scientific and Technological Advice at its fifty-sixth session (June 2022);</p>
<p>Cooperative approaches Art 6.2 of the PA: recommendations for guidelines for the reviews</p>	2/CMA.3, para. 7	SBSTA 56, CMA 4	<p>Further requests the Subsidiary Body for Scientific and Technological Advice to develop recommendations for guidelines for the reviews pursuant to chapter V of the annex (Review), including in relation to the Article 6 technical expert review team, in a manner that minimizes the burden on Parties and the secretariat, for consideration and adoption by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement at its fourth session that include:</p>	

			<ul style="list-style-type: none"> a. Provisions ensuring that the reviews assess consistency of the information provided on the cooperative approach with that in the annex; b. That reviews are desk reviews or centralized reviews (as per the descriptions in paragraphs 152 and 154 of the annex to decision 18/CMA.1) and are conducted at regular intervals each year; c. Development of modalities for reviewing information that is confidential; d. That the reviews ensure consistency between the reporting of all of the Parties participating in a cooperative approach, in respect of that cooperative approach; e. That the reviews specify recommended action to be taken when inconsistencies are identified, and provisions on how a Party should respond to those recommendations and the implications of non-responsiveness, if any; f. The composition of the Article 6 technical expert review team, how the team interacts with the participating Party when undertaking the review, the implications of paragraph 176, annex to decision 18/CMA.1 in respect of composition of Article 13 review teams, and the training programme for the Article 6 technical experts; <p>Coordination of the Article 6 technical expert review with the technical expert review referred to in chapter VII of the annex to decision 18/CMA.1, including ensuring that Article 6 technical expert reviews in a given review cycle are completed in advance of, and the relevant reports are provided to, the technical expert review referred to in chapter VII of the annex to decision 18/CMA.1;</p>	
Cooperative approaches Art 6.2 of the PA: recommendations relating to infrastructure	2/CMA.3, para. 10	SBSTA 56, CMA 4	Also requests the Subsidiary Body for Scientific and Technological Advice, on the basis of the submissions referred to in paragraph 8 above and taking into account the options developed pursuant to paragraph 9 above to make recommendations relating to infrastructure, including guidance for registries, the international registry, the Article 6 database and the centralized accounting and reporting platform referred to in chapter VI of the annex (Recording and tracking) for consideration and adoption by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement at its fourth session;	<p><i>Para. 8:</i> Invites submissions from Parties on options for implementing the infrastructure requirements referred to in chapter VI of the annex (Recording and tracking) by 31 March 2022;</p> <p><i>Para. 9:</i> Requests the secretariat to organize a technical workshop, ensuring broad participation of Parties, to develop options for implementing the infrastructure</p>

				requirements, including guidance for registries, the international registry, the Article 6 database and the centralized accounting and reporting platform referred to in chapter VI of the annex (Recording and tracking), for consideration by the Subsidiary Body for Scientific and Technological Advice at its fifty-sixth session;
The mechanism established by Art. 6.4 of the PA: recommendations on rules of procedures of the Supervisory Body, levels of share of proceeds, removal activities, and application of requirements for methodologies	3/CMA.3, para. 6	SBSTA 56, CMA 4	Also requests the Supervisory Body to elaborate and further develop, on the basis of the rules, modalities and procedures contained in the annex, recommendations, for consideration and adoption by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement at its fourth session (November 2022), on: <ul style="list-style-type: none"> a. Its rules of procedure (including in relation to transparency of meetings), and to operate and hold meetings on the basis of the annex pending any further decisions by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement on the rules of procedure; b. Appropriate levels for the share of proceeds for administrative expenses and its operation, including in order to enable a periodic contribution to the share of proceeds for adaptation for the Adaptation Fund; c. Activities involving removals, including appropriate monitoring, reporting, accounting for removals and crediting periods, addressing reversals, avoidance of leakage, and avoidance of other negative environmental and social impacts in addition to those activities in chapter V of the annex (Article 6, paragraph 4, activity cycle); The application of the requirements in chapter V.B of the annex (Methodologies);	
The mechanism established by Art. 6.4 of the PA: recommendations on further responsibilities of	3/CMA.3, para. 7	SBSTA 56, CMA 4	Further requests the Subsidiary Body for Scientific and Technological Advice to develop, on the basis of the rules, modalities and procedures contained in the annex, recommendations for consideration and adoption by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement at its fourth session (November 2022) on:	

<p>the Supervisory Body and host Parties, transition of CDM activities, use of CERs towards first NDCs, reporting by host Parties, the mechanism registry, processes for the share of proceeds and overall mitigation in global emissions, and emissions avoidance</p>			<ul style="list-style-type: none"> a. Further responsibilities of the Supervisory Body and of Parties that host Article 6, paragraph 4, activities (hereinafter host Parties) in order for such host Parties to elaborate and apply national arrangements for the mechanism under the approval and supervision of the Supervisory Body; b. Processes for implementation of the transition of activities from the clean development mechanism to Article 6, paragraph 4, in accordance with chapter XI.A of the annex (Transition of clean development mechanism activities); c. Processes for implementation of chapter XI.B of the annex (Use of certified emission reductions towards first or first updated nationally determined contributions); d. Reporting by host Parties on their Article 6, paragraph 4, activities, and the Article 6, paragraph 4, emission reductions issued for the activities, while avoiding unnecessary duplication of reporting information that is already publicly available; e. The operation of the mechanism registry referred to in chapter VI of the annex (Mechanism registry); f. The processes necessary for implementation of the share of proceeds to cover administrative expenses and the share of proceeds to assist developing country Parties that are particularly vulnerable to the adverse effects of climate change to meet the costs of adaptation in accordance with chapter VII of the annex (Levy of share of proceeds for adaptation and administrative expenses); g. The processes necessary for the delivery of overall mitigation in global emissions in accordance with chapter VIII of the annex (Delivering overall mitigation in global emissions); <p>The consideration of whether activities could include emissions avoidance and conservation enhancement activities;</p>	
<p>Non-market approaches work programme referred to in Art 6.8 of the PA: recommendations on schedule for implementing the work programme</p>	<p>4/CMA.3, para. 4</p>	<p>CMA 4</p>	<p>Requests the Glasgow Committee on Non-market Approaches to develop and recommend a schedule for implementing the work programme activities referred to in chapter V of the annex (Work programme activities), which may contain the timeline and expected outcomes for each activity, including specifications for the UNFCCC web-based platform referred to in paragraph 8(b)(i) of the annex, such as its functions, form, target users and information to be contained thereon, with a view to supporting the effective implementation of the work programme, for consideration and adoption by the Conference of</p>	<p><i>Para. 6:</i> Invites Parties and observers to submit via the submission portal¹ by 28 February 2022 views and information on: (c) The UNFCCC web-based platform referred to in paragraph 8(b)(i) of the</p>

			the Parties serving as the meeting of the Parties to the Paris Agreement at its fourth session (November 2022);	annex, including how to operationalize it (e.g. functions, form, target users, information to be contained thereon, timeline for development and implementation, and lessons learned from existing relevant tools, including under the Convention and the Paris Agreement); (d) The schedule for implementing the work programme activities; <i>Para. 7:</i> Requests the secretariat to prepare a synthesis report on the matters referred to in paragraph 6 above for consideration by the Glasgow Committee on Non-market Approaches at its 1st meeting (June 2022)
Market and non-market mechanisms under the Convention	1/CP.18, paras. 41-53	56	COP.18 (Doha, 2012) requested the SBSTA to conduct three work programmes to elaborate: <ul style="list-style-type: none"> o Framework for various approaches o Non-market-based approaches o New market-based mechanism Decision (1/CP.18) captured the outcome of several years of negotiations under the AWG-LCA. Pursuant to the Bali Action Plan.	FCCC/2019/2, para. 137 SBSTA 52-55 agreed to defer consideration of this matter to SBSTA 56.
Nairobi work programme on impacts, vulnerability and adaptation to climate change	SBSTA 52 – 55 Conclusions, FCCC/SBSTA/2021/3para 28	SBSTA 56	The SBSTA recalled its conclusion that it will take stock of the operational and institutional modalities of the NWP at SBSTA 56 (June 2022) 28. The SBSTA recalled its conclusion that it will take stock of the operational and institutional modalities of the NWP at SBSTA 56 (June 2022) and proposed the following questions to guide that stocktake:	29. The SBSTA agreed that, on the basis of the outcomes of the stocktake, ways of strengthening the operational and institutional modalities of the NWP should be identified in order to enhance its performance and effectiveness in addressing the knowledge needs of all Parties, in particular developing

			<p>(a) Which lessons learned, gaps, opportunities and challenges are associated with the operational and institutional modalities of the NWP in assisting Parties in implementing the Paris Agreement?</p> <p>(b) How has work under the NWP enhanced adaptation through knowledge, including through:</p> <p>(i) Engagement and coordination of national and subnational governments and NWP partner organizations in a manner that is demand driven and responsive to the adaptation and resilience needs of all Parties, in particular developing countries, including the LDCs and SIDS?</p> <p>(ii) Use and integration of diverse knowledge systems, including local and indigenous knowledge?</p> <p>(c) How are countries engaging under the NWP and communicating their adaptation knowledge needs and how could their engagement be strengthened?</p> <p>(d) How has the NWP supported constituted bodies in assisting Parties in implementing the Paris Agreement in line with the outcomes of SBSTA 44 and 50, including in relation to supporting their activities in addressing knowledge gaps related to capacity-building, finance and technology?</p> <p>(e) How does the secretariat monitor and evaluate work under the NWP, including the dissemination and uptake of knowledge products by national, subnational and community-level knowledge users, and how can this be improved?</p> <p>(f) Which additional thematic areas should be considered under the NWP, taking into account the different types of vulnerable ecosystem in different geographical regions, including mountainous regions?</p>	countries, including the LDCs and SIDS, relevant to implementing the Paris Agreement.
Research and systematic observation	FCCC/SBSTA/2021/3, para 76	56, 57	The SBSTA invited Parties and relevant organizations to submit, via the submission portal, views on possible themes for the fourteenth meeting of the research dialogue, to be held in conjunction with SBSTA 56, by 28 February 2022, and for Earth Information Day 2022, to be held in conjunction with SBSTA 57 (November 2022), by 31 August 2022.	
Guidelines for the technical review of information	13/CP.20, para. 15	56	SBSTA 48 considered the experience in conducting desk reviews, taking into consideration any relevant conclusions of the meetings of lead reviewers for GHG inventories until 2017. The SBSTA agreed to	At SBSTA 52-55, Parties deferred consideration of this item to this session.

			<p>87. The SBSTA agreed to further consider matters relating to the further development of the interface at SBSTA 43 (December 2015), with a view to determining the next steps.</p> <p>SBSTA 51 considered matters relating to the further development of the GHG data interface and agreed to continue consideration of matters relating to the greenhouse gas data interface at SBSTA54</p>	
<p>Training programme for review experts for the technical review of greenhouse gas inventories of Parties included in Annex I to the Convention</p>	<p>FCCC/SBSTA/2017/4, paras. 77-80</p> <p>FCCC/SBSTA/2019/2, para. 100</p>	56	<p>The SBSTA acknowledged the relevance of the training programme in contributing to the quality and consistency of the technical reviews of GHG inventories of Annex I Parties.</p> <p>The SBSTA noted that the secretariat has received positive feedback from Parties and experts on the scope and focus of the courses of the training programme, including the final examinations, and agreed that there is no need to further develop and enhance the training materials at the present time.</p> <p>The SBSTA agreed to assess the results of the training programme at SBSTA 50 with a view to making recommendations to COP25 on the further development and enhancement of the training programme.</p> <p>The SBSTA also agreed to extend the implementation of the ongoing training programme to 2020.</p> <p>SBSTA50 also agreed to assess the continued utility and implementation period of the training programme at SBSTA 54 (May–June 2021), taking into account paragraphs 42 and 44 of decision 1/CP.24, the number of reviews for which reviewers might be needed after 2024, and the outcome of the deliberations of Parties on the training programme for technical experts participating in the technical expert review of biennial transparency reports under the Paris Agreement</p>	<p>At SBSTA 52-55, Parties deferred consideration of this item to SBSTA 56</p>
<p>Training programme for review experts for the technical review of biennial reports and national communications of Parties included in</p>	<p>24/CP.19 9/CP.21</p>	56	<p>The COP, by its decision 19/CP.23, requested the secretariat to enhance the materials of the training programme, on the basis of decisions 24/CP.19 and 9/CP.21 and taking into account the experience gained in conducting the technical reviews of biennial reports and national communications of Parties included in Annex I to the Convention since 2014, before the start of the reviews of the seventh national communications and third biennial reports of Parties included in Annex I to the Convention in 2018 and to enhance the user interface of the training courses with a view to making them more user-friendly; the COP further requests the secretariat to implement</p>	<p>At SBSTA 52-55, Parties deferred consideration of this item to SBSTA 56</p>

<p>Annex I to the Convention</p>	<p>FCCC/SBSTA/2019/2, para. 107</p>		<p>the training programme and examinations for review experts for the technical review of biennial reports and national communications of Parties included in Annex I to the Convention as outlined in the annex. SBSTA50 also agreed to assess the continued utility and implementation period of the training programme at SBSTA 54, taking into account paragraphs 42 and 44 of decision 1/CP.24, the number of reviews for which reviewers might be needed after 2024, and the outcome of the deliberations of Parties on the training programme for technical experts participating in the technical expert review of biennial transparency reports under the Paris Agreement.</p>	
<p>Methodologies for assessing adaptation needs and their application, as well as on the related gaps, good practices, lessons learned and guidelines, for consideration</p>	<p>11/CMA.1, para 17</p>	<p>57</p>	<p>Requests the AC, with the engagement of the IPCC Working Group II, as appropriate, to prepare, drawing on the inventory referred to in paragraph 15 above and the submissions referred to in paragraph 16 above, a technical paper on methodologies for assessing adaptation needs and their application, as well as on the related gaps, good practices, lessons learned and guidelines, for consideration and further guidance at SBSTA 57 (November 2022) in the context of its consideration of the report of the AC.</p> <p><i>Note: WGII may finalize its contribution to AR6 six months later or more. This will impact on its availability to work with AC.</i></p>	<p>11/CMA.1, para 15: Requests the AC, in collaboration with the LEG, partner organizations of the Nairobi work programme, users and developers of relevant methodologies, including academia and the private sector, to develop by June 2020 and to regularly update an inventory of relevant methodologies for assessing adaptation needs, including needs related to action, finance, capacity-building and technological support in the context of national adaptation planning and implementation, and to make the information available on the adaptation knowledge portal 11/CMA 1, para 16: Invites Parties and observer organizations to submit via the submission portal by February 2021 their views and information on the development and application of methodologies for assessing adaptation needs, including needs related to action, finance, capacity-building and technological support.</p>

Standing SBSTA agenda items

- Election of officers other than the Chair (SBSTA Rapporteur was nominated at end of COP25 but has not yet been elected. It is the Rapporteur's second term)
- Nairobi Work Programme on impact, vulnerability and adaptation to climate change (spring session)
- Research and systematic observation (each session)
- Emissions from fuel used for international aviation and maritime transport (each session)
- Cooperation with other international organizations (spring session)
- Annual technical review reports (winter session)

Recurring mandated events convened in conjunction with SBSTA sessions:

- NWP Focal Point Forum (winter session)
- Research dialogue (spring session)
- Earth Information Day (winter session)
- Meetings of the FWG of the LCIPP (each session)

SB 56 57

Issue	Mandate Reference	Session	Mandate Text	Relevant additional mandates
Work programme to scale up mitigation ambition and implementation	1/CMA.3, para. 27	SB 56 CMA 4	Decides to establish a work programme to urgently scale up mitigation ambition and implementation in this critical decade, and requests the Subsidiary Body for Implementation and the Subsidiary Body for Scientific and Technological Advice to recommend a draft decision on this matter for consideration and adoption by CMA 4, in a manner that complements the global stocktake.	
Glasgow-Sharm el Sheikh work programme on the global goal on adaptation	x/CMA.3	Intersessional and SB 56 (workshop) – SB 57 + CMA 4 SB 58 (workshop)–	3. Decides to establish and launch a comprehensive two-year Glasgow–Sharm el-Sheikh work programme on the global goal on adaptation; Also decides that implementation of the work programme will start immediately after the third session of the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement; 4. Further decides that the work programme will be carried out jointly by the Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation;	Invites the Intergovernmental Panel on Climate Change to inform the work programme by presenting to the subsidiary bodies, at their fifty-sixth sessions (June 2022), Advance unedited version 3 the findings of the upcoming contribution of Working Group II to its Sixth Assessment

		SB 59 + CMA 5	<p>Decides that four workshops should be conducted per year, with the support of the secretariat and under the guidance of the Chairs of the subsidiary bodies, under the work programme, namely two virtual intersessional workshops and two workshops in conjunction with the sessions of the subsidiary bodies, starting at their fifty-sixth sessions;</p> <p>13. Invites Parties to submit via the submission portal, 5 by 30 April 2022, views on how to achieve the objectives referred to in paragraph 7 above under the work programme;</p> <p>14. Also invites the Chairs of the subsidiary bodies to select themes for the workshops referred to in paragraph 12 above on the basis of the submissions referred to in paragraph 13 above; 15. Requests the secretariat to prepare, under the guidance of the Chairs of the subsidiary bodies, a compilation and synthesis of those submissions for consideration at the workshops;</p> <p>Invites the subsidiary bodies to report annually to the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement, taking into account the report referred to in paragraph 16 above, on progress in implementing the work programme with a view to recommending a draft decision thereon for consideration and adoption by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement at its fifth session (November 2023)</p>	<p>Report, once published, that may be relevant to reviewing overall progress made in achieving the global goal on adaptation, and engage in the work programme by clarifying methodologies and other elements related to the global goal on adaptation;</p> <p>Also requests the secretariat to prepare, under the guidance of the Chairs of the subsidiary bodies, a single annual report on the workshops for consideration at the sessions of the subsidiary bodies coinciding with the sessions of the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement;</p>
Second periodic review of the long-term global goal under the Convention and of overall progress towards achieving it	Decision 5/CP.25, para. 7 Conclusions SB/2021/L.3	SB 56	COP 25 decided that the second periodic review of the long-term global goal and of overall progress towards achieving it shall start in the second half of 2020 and conclude in 2022.	The SBSTA and the SBI noted that summary reports on the meetings of the structured expert dialogue will be included in the synthesis report referred to in decision 1/CP.18, paragraph 86(b), for consideration by the joint SBSTA–SBI contact group for the second periodic review of the long-term global goal under the Convention and of overall progress towards achieving it. 6.
Structured Expert Dialogue under the periodic review	5/CP.25 SB/L.3	SB 56	Decides that the second periodic review shall start in the second half of 2020 and conclude in 2022, with the structured expert dialogue held in conjunction with sessions of the subsidiary bodies, starting at their fifty-third sessions (November 2020) and being completed at their fifty-fifth sessions (November 2021)	Recalling decision 5/CP.25, the SBSTA and the SBI noted that the third meeting of SED2 will be convened in conjunction with the fifty-sixth sessions of the subsidiary bodies (June 2022).

				The SBSTA and the SBI invited Parties and observers to submit via the submission portal1 by 4 March 2022 views on the third meeting of SED2.
Koronivia joint work on agriculture	4/CP.23, para 4 SB/L.1, para. 12	SB 56 COP 27	4. Also requests the subsidiary bodies to report to the Conference of the Parties on the progress and outcomes of the work referred to in paragraph 1 of 4/CP.23 (requests SBs to jointly address issues related to agriculture.) at its twenty-sixth session (November 2020). 12. The SBSTA and the SBI agreed to continue consideration of this matter, including the draft text elements on the report on the intersessional workshop at SB 56 (June 2022) with a view to reporting on it to and recommending a draft decision for consideration and adoption by the Conference of the Parties at its twenty-seventh session (November 2022).	
Global stocktake	19/CMA 1, para. 8	2021 + CMA 6 SB 56 (technical assessment)	Decides that the information collection and preparation component of the global stocktake will commence one session before the start of the technical assessment , which will take place during the two (or depending on the timing of the publication of the Intergovernmental Panel on Climate Change reports, three) successive sessions of the subsidiary bodies preceding the sixth session of the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement (November 2023), during which the consideration of outputs will take place, with the cycle repeating every five years thereafter <i>Note: WGII may delay its contribution about six months. If the full report will be delayed, we may end up with having only 2 technical dialogues instead of 3.</i>	Para. 4: Further decides that the GST will be conducted with the assistance of the SBI and the SBSTA which will establish a joint contact group on the matter Para 5. Resolves to engage in a technical dialogue that aims to support the work of the joint contact group referred to in paragraph 4 above through expert consideration of inputs, as identified in the sources of input referred to in paragraphs 36 and 37 below for the global stocktake; Para 7: Requests the Chairs of the SBSTA and the SBI to develop guiding questions for all components of the GST, including specific thematic and cross-cutting questions, one session of the SBs prior to the relevant activities under the GST being carried out Para 19: Information collection and preparation 19. Requests the Chairs of

				the Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation to issue a call for the inputs referred to in paragraphs 36 and 37 below, taking into account that such inputs should be submitted at least three months before their consideration in the technical assessment;
Global stocktake	PA Article 14, para. 2 19/CMA 1, para. 4	In 2023 <i>(and every five years thereafter)</i>	<i>PA 14.2:</i> The Conference of the Parties serving as the meeting of the Parties to this Agreement shall undertake its first global stocktake in 2023 and every five years thereafter unless otherwise decided by the Conference of the Parties serving as the meeting of the Parties to this Agreement.	Para. 4: Further decides that the GST will be conducted with the assistance of the SBI and the SBSTA which will establish a joint contact group on the matter
Forum on Response Measures (first KCI report and midterm review)	4/CP.25, 4/CMP.15, 4/CMA.2 Decision 7/CMA.1, paragraph 10 CP/L.4	SB 56 + COP 27, CMP 17, CMA 4	Request the forum on the impact of the implementation of response measures to continue considering the first annual report of the Katowice Committee on Impacts , including the recommendations and considerations contained therein, at the fifty-sixth sessions of the subsidiary bodies (June 2022) with a view to providing recommendations for consideration and adoption by the Conference of the Parties, the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol and the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement at their next sessions. Midterm review of the workplan of the forum and its KCI starting at SBI 56: Parties and observers to submit views and secretariat to prepare a summary.	COP/CMP decision from Glasgow: 8. Request the forum, at the fifty-sixth sessions of the subsidiary bodies, to consider ways to promote actions to minimize the adverse impacts and maximize the positive impacts of the implementation of response measures on the recommendations contained in annex 11. Invite Parties and observers to submit via the submission portal by April 2022 their views on the elements of the midterm review of the workplan of the forum and its Katowice Committee on Impacts and request the secretariat to prepare a summary based on the submissions with a view to informing Parties' discussion on the midterm review starting at the fifty-sixth sessions of the subsidiary bodies;

RM Forum two-day workshop	CP.L.4	SB 56	Note the limitations to progress and limited progress in the implementation of the functions and modalities of the forum and of certain activities in the workplan by the forum, including due to the exceptional circumstances, and therefore request the secretariat to hold a two-day workshop in conjunction with the fifty-sixth sessions of the subsidiary bodies (June 2022) to further advance the implementation of workplan activities 3, 4 and 11	
Pre-sessional regional RM workshop	CP.L.4	Prior to SB 56	Request the secretariat to organize a regional workshop on activity 3 of the workplan before the fifty-sixth sessions of the subsidiary bodies in collaboration with relevant organizations and stakeholders, to address regional needs and acknowledge the work that is being carried out by the Katowice Committee on Impacts and note that further regional workshops on activity 3 could be decided by the forum;	
Technical workshop on the Santiago Network	CMA.3 (10a and 10b)	Prior to SB 56	Requesting the secretariat to organize a technical workshop prior to the fifty-sixth sessions of the subsidiary bodies, under the guidance of the Chairs of those bodies, with inputs from the Executive Committee and the participation of Parties and relevant organizations, bodies, networks and experts, to elaborate on the submissions referred to in paragraph 10(a) above	10(a) Inviting Parties and relevant organizations to submit via the submission portal by 15 March 2022 their views on the [institutional arrangements] of the Santiago network
Santiago Network for averting, minimizing and addressing loss and damage associated with the adverse effects of climate change	CMA.3 (11)	SB 56	Requesting the Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation, at their fifty-sixth sessions, to consider the submissions referred to in paragraph 10(a) above and the discussions at the technical workshop referred to in paragraph 10(b) above with a view to providing recommendations for consideration and adoption by the governing body at its next session or the governing bodies at their next session;	
Adaptation communication	9/CMA.1, para 15	SB 57	AC to develop, with the engagement of the IPCC Working Group II, using relevant existing guidance as a starting point, as appropriate, by June 2022, draft supplementary guidance for voluntary use by Parties in communicating information in accordance with the elements contained in the annex, for consideration by the SBs 57 (November 2022) in the context of their consideration of the report of the AC	

Standing SB agenda items

Recurring mandated events convened in conjunction with SB sessions:

Annually recurring mandates/agenda items

- Report of the Adaptation Committee (COP/CMA)
 - Report of the WIM Ex-Com (COP/CMA)
 - Joint annual report of the TEC and CTCN
- Report of the forum on the impact of the implementation of response measures (COP/CMP/CMA)
Report of the A.6.4 Supervisory body and further guidance by the CMA to A.6.4 SB.
