International Mechanism for Loss and Damage associated
with Climate Change Impacts**

Draft conclusions proposed by the Chairs

1. The Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation continued, but were unable to conclude, their consideration of these matters.
2. They agreed to recommend to the appropriate body or bodies¹ to consider these matters at their session(s) held in November 2022 taking into account the informal note on the UNFCCC website.²

¹ Pending the outcome of the Presidency consultations on the governance of the Warsaw International Mechanism for Loss and Damage associated with Climate Change Impacts. Nothing in this document prejudices Parties' views or prejudices outcomes on matters related to governance of the Warsaw International Mechanism.
