

United Nations
Framework Convention on
Climate Change

The Paris Committee on Capacity-building (PCCB)

Bonn Climate Change Conference 2024

Overview

- Founded at **COP21** in **2015** (1/CP.21, para. 71)
- **Objective:** addresses current and emerging gaps and needs in implementing and further enhancing capacity-building in developing countries
- **9** members from developed and developing countries

Workplan for 2021–2024

Priority Area A

Enhancing coherence and coordination on capacity-building under the Convention

Priority Area B

Identifying capacity gaps and needs

Priority Area C

Promoting awareness raising, knowledge- and information-sharing and stakeholder engagement

Working Groups

-
- 1 Coherence and coordination on capacity-building under and outside the Convention
 - 2 Cross-cutting issues
 - 3 Awareness-raising, communications and stakeholder engagement
 - 4 Identifying capacity gaps and needs

PCCB mandate from the GST

- ➔ 117. Requests the Paris Committee on Capacity-building to identify, in **coordination with Parties, other constituted bodies and relevant stakeholders**, current activities for enhancing the capacity of developing countries to prepare and implement nationally determined contributions, and also requests the secretariat to facilitate the sharing of knowledge and good practices for the preparation and implementation of nationally determined contributions, including through workshops;
- ➔ 119. Also encourages the Paris Committee on Capacity-building to consider new activities, including those related to adaptation, **Article 6 of the Paris Agreement** and the enhanced transparency framework under the Paris Agreement in deciding on its future annual focus area
