Nairobi work programme

Collaboration with the Adaptation Committee

Bonn, Germany, 30 April 2018

Pilar Bueno, Co-Chair of the Adaptation Committee

I: The past

NWP has been instrumental for technical work undertaken by the Adaptation Committee

Examples:

- ❖ Joint workshops
- ❖ Synthesized and analyzed knowledge and information

II: The present

Ongoing support by the NWP to the Adaptation Committee

Examples:

- ❖ Compilation and analysis of technical support partnerships
- ❖ Inventory for of ongoing work on monitoring and evaluation of adaptation
- ❖ Private sector engagement
- ❖ Technical examination process on adaptation

III: The future

Outcomes of the review of adaptation-related institutional arrangements under the Convention

Future collaboration likely to be anchored in the 2019-2021 workplan of the Adaptation Committee

Conclusion:

- ❖ NWP has been extremely important in enabling the Adaptation Committee to successfully deliver its work
- ❖ NWP is a unique resource within the UNFCCC
