## 4. Public information

This section provides information on the completeness of public information provided pursuant to part E of the annex to 13/CMP.1, paragraphs 44 to 48 inclusive.

Paragraph 44 of the annex to decision 13/CMP.1 requires the national registry to make non-confidential information publicly available. The assessor should go to the webpage by the URL provided in the submission to determine if the information has been successfully made public. If the information is only found in the NIR that does not satisfy the requirements and should be negatively assessed. See the Publicly Available Information Guidance document for additional clarification.

## 5. Previous Expert Review Team recommendations

This section provides information on the completeness of Party's annual submission in addressing the previous annual review recommendations. If the Expert review team has made recommendations in the [most recently published annual review](#), this section should list them and the party's annual submission is checked to see that each has been addressed and satisfies each recommendation.
