on

SBSTA 63 agenda item 10

SBI 63 agenda item 11

Sharm el-Sheikh joint work on implementation of climate action on agriculture and food security

Version 13/11/2025 21:30

Draft conclusions proposed by the co-facilitators

1. The Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation continued consideration of the Sharm el-Sheikh joint work on implementation of climate action on agriculture and food security.¹
 2. They agreed to continue consideration of this matter at their sixty-fourth sessions (June 2026) taking into account the draft text “Version 13/11/2025 16:00” prepared for these agenda items at these sessions.²
