## Key takeaways

- ✓ There are transparency related support opportunities available, a compilation can be found here: [Link](#)
- ✓ Support provided is responding to the needs of developing country Parties
- ✓ Nevertheless, additional support is needed for developing country Parties to successfully prepare BTRs and effectively implement the ETF
- ✓ There is always room for improvement, for example simplifying application process for transparency related projects and other capacity-building activities, enhancing communication, wider stakeholder engagement, strategic planning...
