Mohammad Ayoub is a climate negotiator and climate policy specialist at the Ministry of Energy of Saudi Arabia. He currently represents the Kingdom of Saudi Arabia in international climate negotiations, including the Paris Agreement and the United Nations Framework Convention on Climate Change. Mohammad is also a board member on the Green Climate Fund Board having recently joined the board in 2023.

Previously, Mohammad worked in PwC Middle East as a Senior Associate, contributing to the development of the firm's ESG market strategy. He also held several positions at the global strategic communications firm Richard Attias and Associates, working on the Future Investment Initiative, the Y20 during Saudi Arabia's G20 presidency and the inaugural edition of the Saudi Green Initiative among other projects. Mohammad holds a bachelors degree in political science and government from New York University.
