Second Workshop under the Sharm el-Sheikh Dialogue on Article 2, paragraph 1(c), of the Paris Agreement, and its complementarity with Article 9 of the Paris Agreement

Information about the resource persons

Erick Decker

Chief Investment Officer, AXA Group

Erick Decker has been with the AXA Group since 1999 and Chief Investment Officer covering International Markets countries since 2006. Erick also leads the Group Responsible Investment governance and manages the implementation of the committee decisions with both internal and external asset managers in regards to Responsible Investment strategies.

Erick first started his professional career in the 80's as a financial analyst in US Savings & Loans specializing on investment activities and then moved on to join the industry's regulators to monitor members' investment activities. Upon his return to Europe he joined BNP Paribas and a newly created Group ALM team and was in charge of interest rate risk management. Erick earned a Business Sciences degree in Finance from California State University Fresno (1983) and a Master Sciences in Finance from Texas Tech University (1985).
