

SESSION 7 - Breakout group 2 (Enabling environments for inclusive growth)

Go beyond mainstreaming references towards consultation, cooperation, collaboration and to full engagement

Needs:

- capacity-building for youth and women
- Awareness-raising and advocacy
- Opportunities for knowledge and experience sharing
- Collaboration through multi-stakeholder partnerships

Tools:

- Advisors, markers and checklists
- Use gender advisors when designing projects
- Green and social mentoring
- Replication of best practices carried out by youth and women
- Matchmaking: connect young and women social entrepreneurs with social impact financiers
- Example: MED DYNAMICS pilot project – platform for information on available tools, best practices, and available support
