

Talanoa - Agreeing on an Ocean Pathway Partnership

Presented by the YOUNGO Oceans Working Group
in partnership with the COP23 Presidency

Where: Fiji Pavilion, Bonn Zone

When: 17:00, Saturday Nov 11 (Oceans Day at COP23)

The Ocean Pathway Partnership is a new COP23 Presidency led initiative on the Ocean that will:

- i. Recognize the 2017 UN Ocean Conference Call for Action
- ii. Call for the need to establish the role of a healthy ocean and climate change within the UNFCCC process by 2020 including the possibility of special consideration in 2019 with the SDG 14 priority and IPCC report on ocean.
- iii. Ensure the establishment of the Ocean Pathway through the UNFCCC and the grand Ocean Pathway Partnership that will drive this initiative.

This event is intended to provide a platform for exchange on opinions and ideas on how an effective Ocean Pathway Partnership should look like and, and how it could be implemented. We extend a warm invitation to anyone interested in joining and sharing their stories and knowledge in this dialogue.

Will be present :

Peter Thomson, UN Special Envoy on the Ocean (Fiji)

Taholo Kami, Special Adviser, Pacific Partnerships and International Civil Society (Fiji)
