The second Global Dialogue will take place **from 29 to 30 September 2025**. The dialogue will be held in conjunction with the three-day thirteenth meeting of the Katowice Committee on Impacts, scheduled for **1 to 3 October 2025**. Both events will take place in a hybrid format, allowing for both in-person and virtual participation, with the in-person element taking place in Istanbul.

The Chairs of the Subsidiary Bodies (SB Chairs) are grateful to UNDP Istanbul Regional Hub for partnering with the UNFCCC to organize these events in Istanbul. These events are being organized in pursuant to decision 13/CP.28, decision 4/CMP.18, and decision 19/CMA.5, whereby COP, CMP and CMA decided to organize a two-day global dialogue on the impacts of the implementation of response measures in conjunction with intersessional meetings of the Katowice Committee on Impacts in 2024 and 2025, in collaboration with relevant organizations and stakeholders and acknowledging the work that has been carried out by the Katowice Committee on Impacts.

**Distribution:** To Parties and observer States through their national focal points and diplomatic missions accredited to the Federal Republic of Germany.

#### Topic of the Dialogue

Pursuant to the same decisions, the SB Chairs will decide on and communicate the topics to be discussed at the dialogue, taking into consideration the submissions received by 15 July, no later than four weeks (1 September 2025), in advance of the global dialogue.

### **Nomination and registration**

Parties eligible for funding from the secretariat are entitled to receive support for their nominated in-person participants for the duration of the global dialogue and will receive further information on the nomination and registration process from their regional coordinators.

Parties which are not eligible for funding from the secretariat are invited to nominate participants for the global dialogue and the thirteenth meeting of the Katowice Committee on Impacts through their UNFCCC national focal points. Each Party is invited to nominate one in-person participant for both events, and up to four representatives for virtual participation via the active virtual participation modality. National focal points are requested to submit their nominations via [Indico](#) by **Monday, 1 September 2025**, at the latest.

The secretariat is not in a position to process nominations submitted by any other method. Once the participant is confirmed, an email will be sent to the email address of the confirmed participant.

Parties are strongly encouraged to nominate experts or practitioners who would substantively enrich the discussions, benefit from, and contribute to the engagement within their national context.
