

Tenth Technical Expert Dialogue under the Ad Hoc Work Programme on the New Collective Quantified Goal on Climate Finance

Information about the resource persons

Chao Feng
Senior Staff Member
Ministry of Finance, China

Feng Chao, Master's degree from the University of Queensland, negotiator for the Chinese delegation on climate finance issues at the United Nations climate change negotiations (since 2016), and Senior Project Manager at the China Clean Development Mechanism Fund (Ministry of Finance of China).

Main research areas include climate finance negotiations, adaptation, transparency, China's and international carbon markets, the EU's Carbon Border Adjustment Mechanism, and the US ESG framework. He has been closely monitoring the overall progress of negotiations under the United Nations Framework Convention on Climate Change (UNFCCC) and the Paris Agreement.
