# TASK FORCE ON DISPLACEMENT

The

Conference of the

Parties, at its 21<sup>st</sup> session

in Paris, created a Task Force to develop

recommendations for integrated approaches to avert, minimize and address displacement related to the adverse impacts of climate change.

The Executive Committee of the Warsaw International Mechanism for Loss and Damage (Excom) is entrusted by the COP to operationalize this Task Force on Displacement.

### MINIMIZE AND ADDRESS DISPLACEMENT"

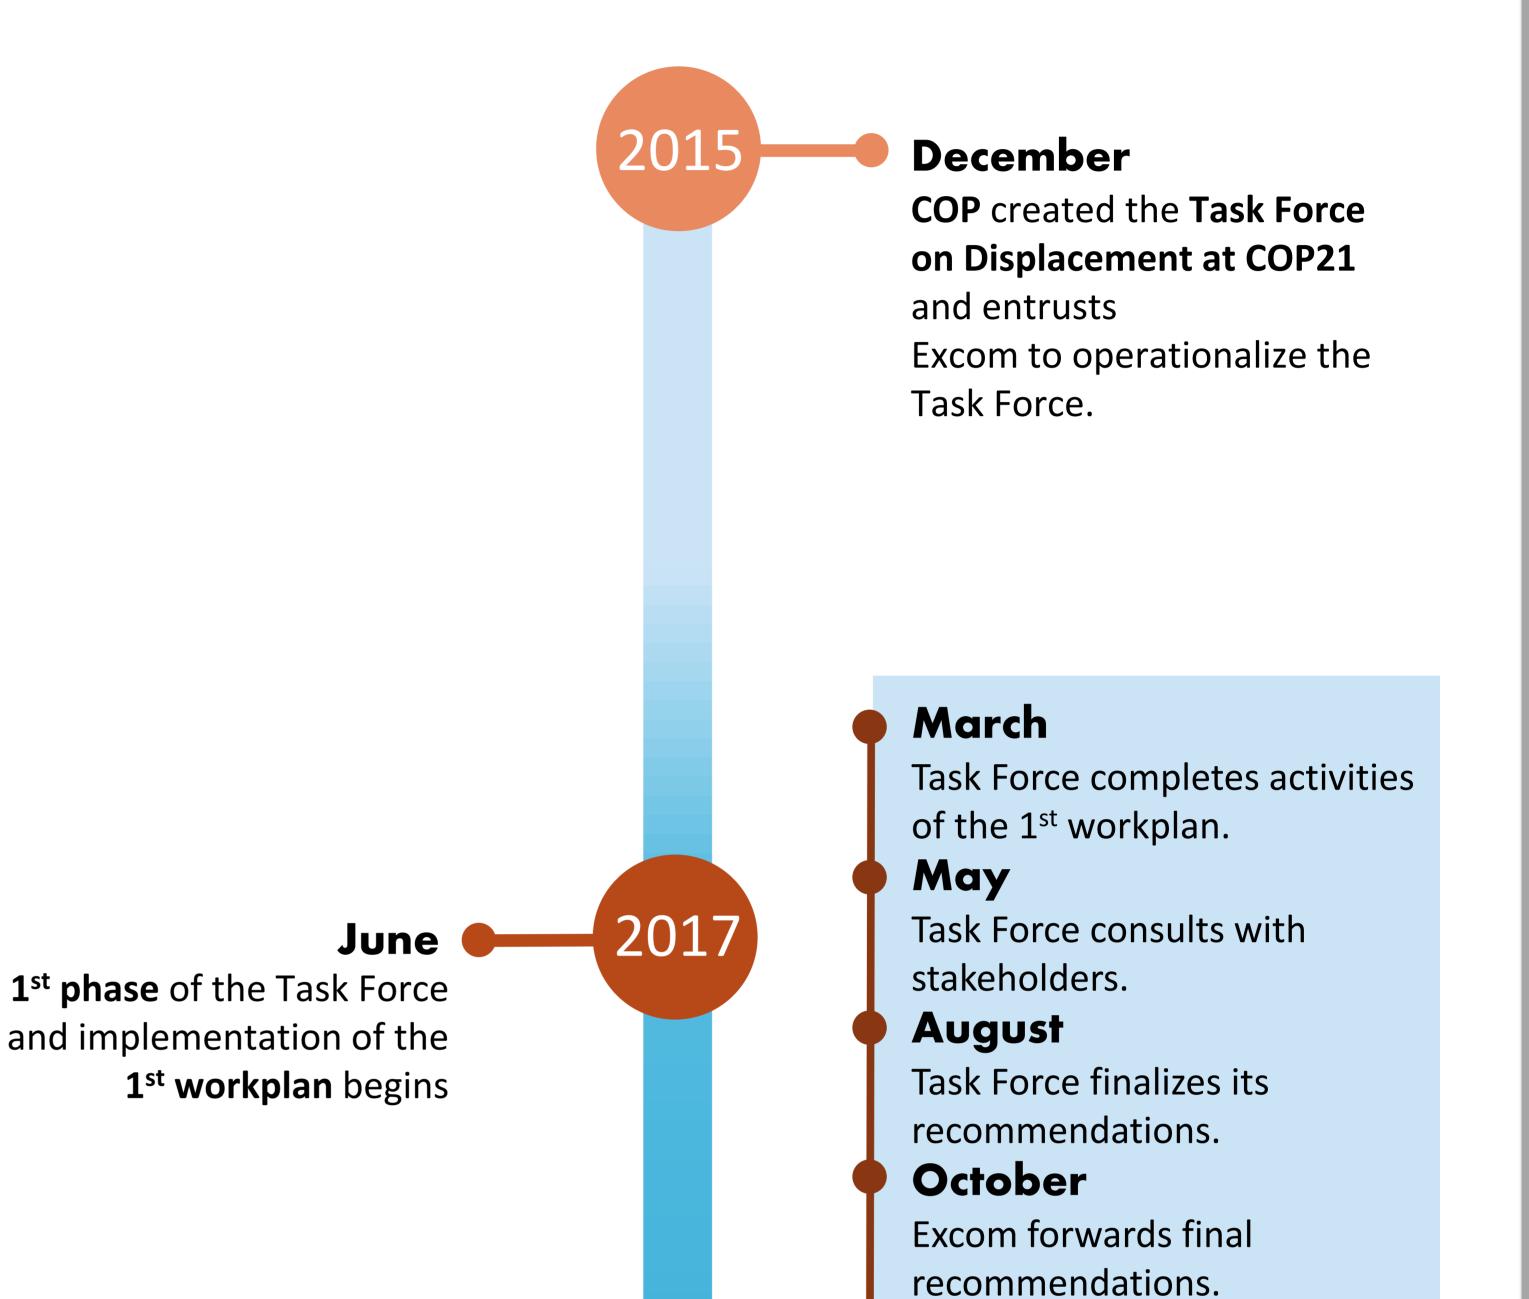

## TIMELINE AND MILESTONES

**"AVERT**,

The Task Force complements, draws upon the work of and involves, as appropriate, existing bodies and expert groups under the United Nations Climate Change Convention, as well as relevant organizations and expert bodies outside the convention.

The Task Force engages and collaborates with relevant communities of practice to co-develop its recommendations

2018

2019

**April 2<sup>nd</sup> phase** of the Task Force and implementation of the **2<sup>nd</sup> workplan** begins

#### December COP endorses the

recommendations and a comprehensive assessment of broader issues of displacement related to climate change. Extension of the Task Force's mission.

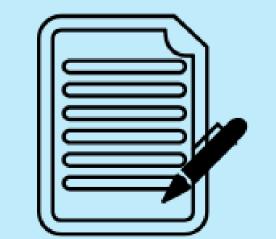

Analysis on the following themes:

- National/subnational policy/practice
- International/regional policy
- Data and assessment
- Framing and linkages

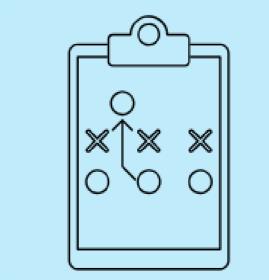

### Outcomes of the first phase of the Task Force

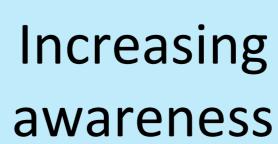

Inventory of existing policies Synthesizing the state of knowledge

Coordination of processes within the UN system

Mapping of data sources and methodologies

Identifying gaps

Delivering recommendations
