

**Report upon expiration of the additional period
for fulfilling commitments for the second commitment period of
the Kyoto Protocol by Slovenia**

I. Introduction

1. This report, submitted by Slovenia on 23 October 2023, contains the information required to be reported upon the expiration of the additional period for fulfilling commitments for the second commitment period of the Kyoto Protocol (hereinafter referred to as the true-up period),¹ in accordance with the relevant decisions of the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol.²
2. The information contained in this report covers the period 1 January 2022 to 9 September 2023 in accordance with decision 15/CMP.1, annex, paragraph 20, in conjunction with decision 3/CMP.11.
3. The information required to be included in the report is presented using the standard electronic format (SEF) tables included in Annex II to decision 3/CMP.11.
4. In addition to the SEF tables, the information required to be included in the report in accordance with decision 15/CMP.1, annex, paragraphs 12–16, in conjunction with decision 3/CMP.11 is also presented in the reports on: (a) discrepancies identified by the international transaction log (ITL); (b) notifications from the Executive Board of the clean development mechanism; (c) records of non-replacement identified by the ITL; and (d) units in the national registry no valid towards compliance. These reports are usually known as R2–R5 reports respectively.³

II. Information provided before the submission of this report

5. The SEF tables of Slovenia (with the file name RREG1_SI_2022_2_1.xlsx) for the period 1 January to 31 December 2022 have been submitted previously and can be found at <https://unfccc.int/documents/627715>.⁴
