**Guidelines for the technical review of information reported under the Convention related to greenhouse gas inventories, biennial reports and national communications by Parties included in Annex I to the Convention**

**Version 9/6/2022 14:04**

---

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA) continued its consideration of the guidelines for the technical review of information reported under the Convention related to greenhouse gas inventories, biennial reports and national communications by Parties included in Annex I to the Convention, in particular of the experiences in conducting desk reviews pursuant to decision 13/CP.20, paragraph 15.
2. The SBSTA agreed that the guidelines referred to in paragraph 1 above do not need to be revised.
3. The SBSTA concluded its consideration of this matter.
