

The NDC Equity Tracker

Mission

Empower young people worldwide by supporting a network of NDC youth ambassadors who advocate for youth and gender inclusive NDCs to impact ambitious and sustainable climate action for generations to come.

45

NDCs analyzed

85%

Global emissions

95+

Ambassadors network

Key Findings

- >50% of NDCs exclude young people
- >60% of NDCs don't mention women or gender in a meaningful way
- Youth from top emitting countries don't believe their country's emissions reductions plans are ambitious enough
