## Transparency reception: Entering the ETF-era

**9 December 2023, 18:00 – 19:00**

**Côte d'Ivoire pavilion, B6 Zone, Building 69**

Organized by UNFCCC in partnership with UNDP Climate Promise and the Government of Côte d'Ivoire, the Transparency reception will serve as a networking opportunity for transparency practitioners and professionals.

Brief opening remarks will be delivered by UNFCCC, UNDP and the Government of Côte d'Ivoire: as 2024 is approaching, a new era under the Enhanced Transparency Framework (ETF) is about to kick-off. Speakers will reflect on the milestones ahead, and the need for enhanced collaboration among UNFCCC, UN and other implementing agencies, Parties and non-Party stakeholders to ensure universal participation in the ETF.

Opening remarks:

- **Vlad Trusca** – Manager, Info. Hub, Data, Systems and Tools subdivision, UNFCCC
- **Claudia Ortiz** – Climate Change Strategies Specialist, UNDP
- **Parfait Kouadio** – Director of Cabinet of the Minister of Environment, Côte d'Ivoire

Light refreshments (food and drinks) will be offered.
