Ways to join

# Access the event

## EVENT PLATFORM

**Interact, exchange, and network** during our LIVE programme via the livestream chat and polls, visiting our networking area and the virtual fair. Or catch up on past sessions by accessing recordings on demand.

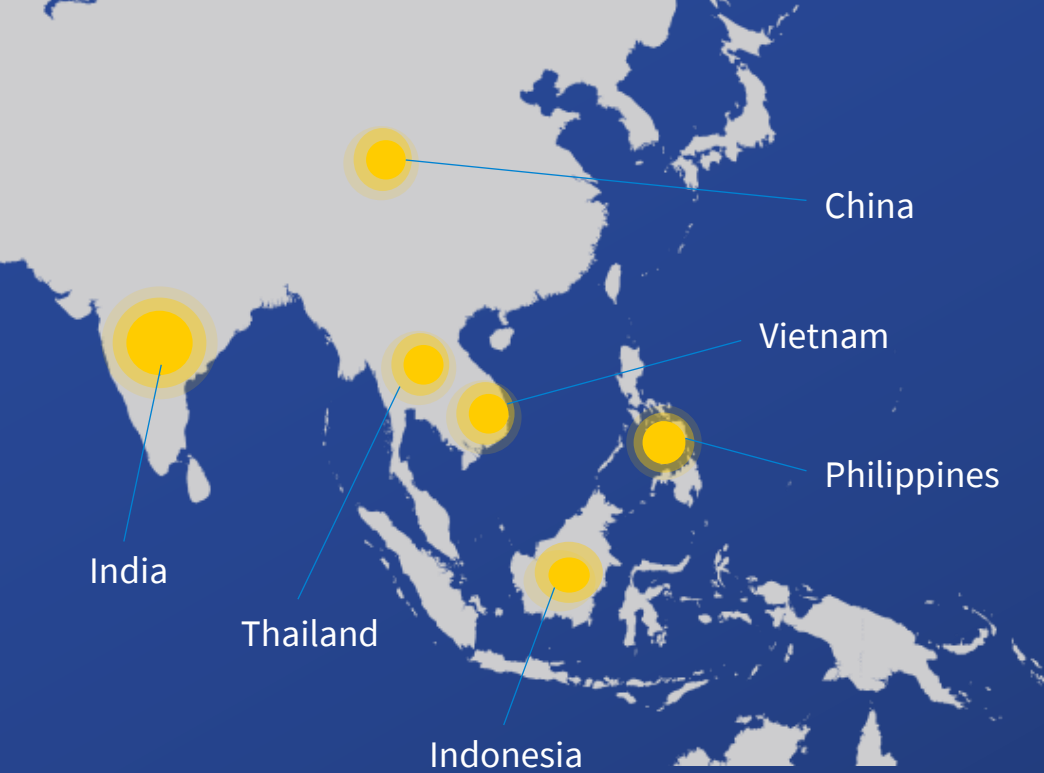

## WEBSITE & NEWSLETTER

**Stay up to date** and find out all about the latest news, confirmed speakers and the agenda on our [website](#) and subscribe to our event newsletter.

## SOCIAL MEDIA

**Discuss and exchange** on the opportunities and challenges of decarbonising transport with organisations, participants and experts on social media.

This year's Asia Hub focusses on opportunities, challenges and solutions to **decarbonise transport** across Asia. Bringing together experts from the public and private sector, in a unique hybrid event, the TCCW 2022 aims to contribute to the **sustainable transformation of mobility**.

Through networking, discussions, workshops and many other activities, this event is a great opportunity to **build lasting relationships** and **combine strengths** on a **regional** and **global level**.
