

UNDP's Climate Promise

2025

Aim of Climate Promise 2025

Connect global goals with action on the ground to scale-up ambition and implementation

Goal: Support developing countries to align the 3rd generation of NDCs to the 1.5° C goal and SDGs, strengthen quality and investability, and accelerate implementation to drive sustainable development.

Service Offer

Ambition and implementation are intertwined, and all require inclusive processes to leave no one behind

Ambition

- Assessment of NDC progress, align with Net Zero and SDGs
- Build political will and societal ownership
- Strengthen targets, policies, and measures (sectoral)
- Align with existing frameworks – NAP, NBSAP, energy compacts, etc.
- Assess costs and investment opportunities

Acceleration

- Drive finance to deliver targets
 - Int'l public: align VF, multilat and bilat
 - Nat'l public: INFFs, bonds, CPEIRs
 - Private: Carbon Markets (HICM offer), private sector coalition
- Integrated technical support on priority areas: Adaptation, Energy, L&D, Nature

Inclusivity

- Recognize and promote a human rights-based approach
- Advance gender equality
- Strengthen effective participation and leadership
- Increase capacities and knowledge to drive implementation
- Strengthen access to and control over resources, e.g. finance, information, and technology

Current Climate Promise Support in the Region

Countries Supported:

Belize

Dominica

Dominican Republic

Grenada

Jamaica

St. Kitts & Nevis

Suriname

Area of support:

NDC implementation

LTS Development

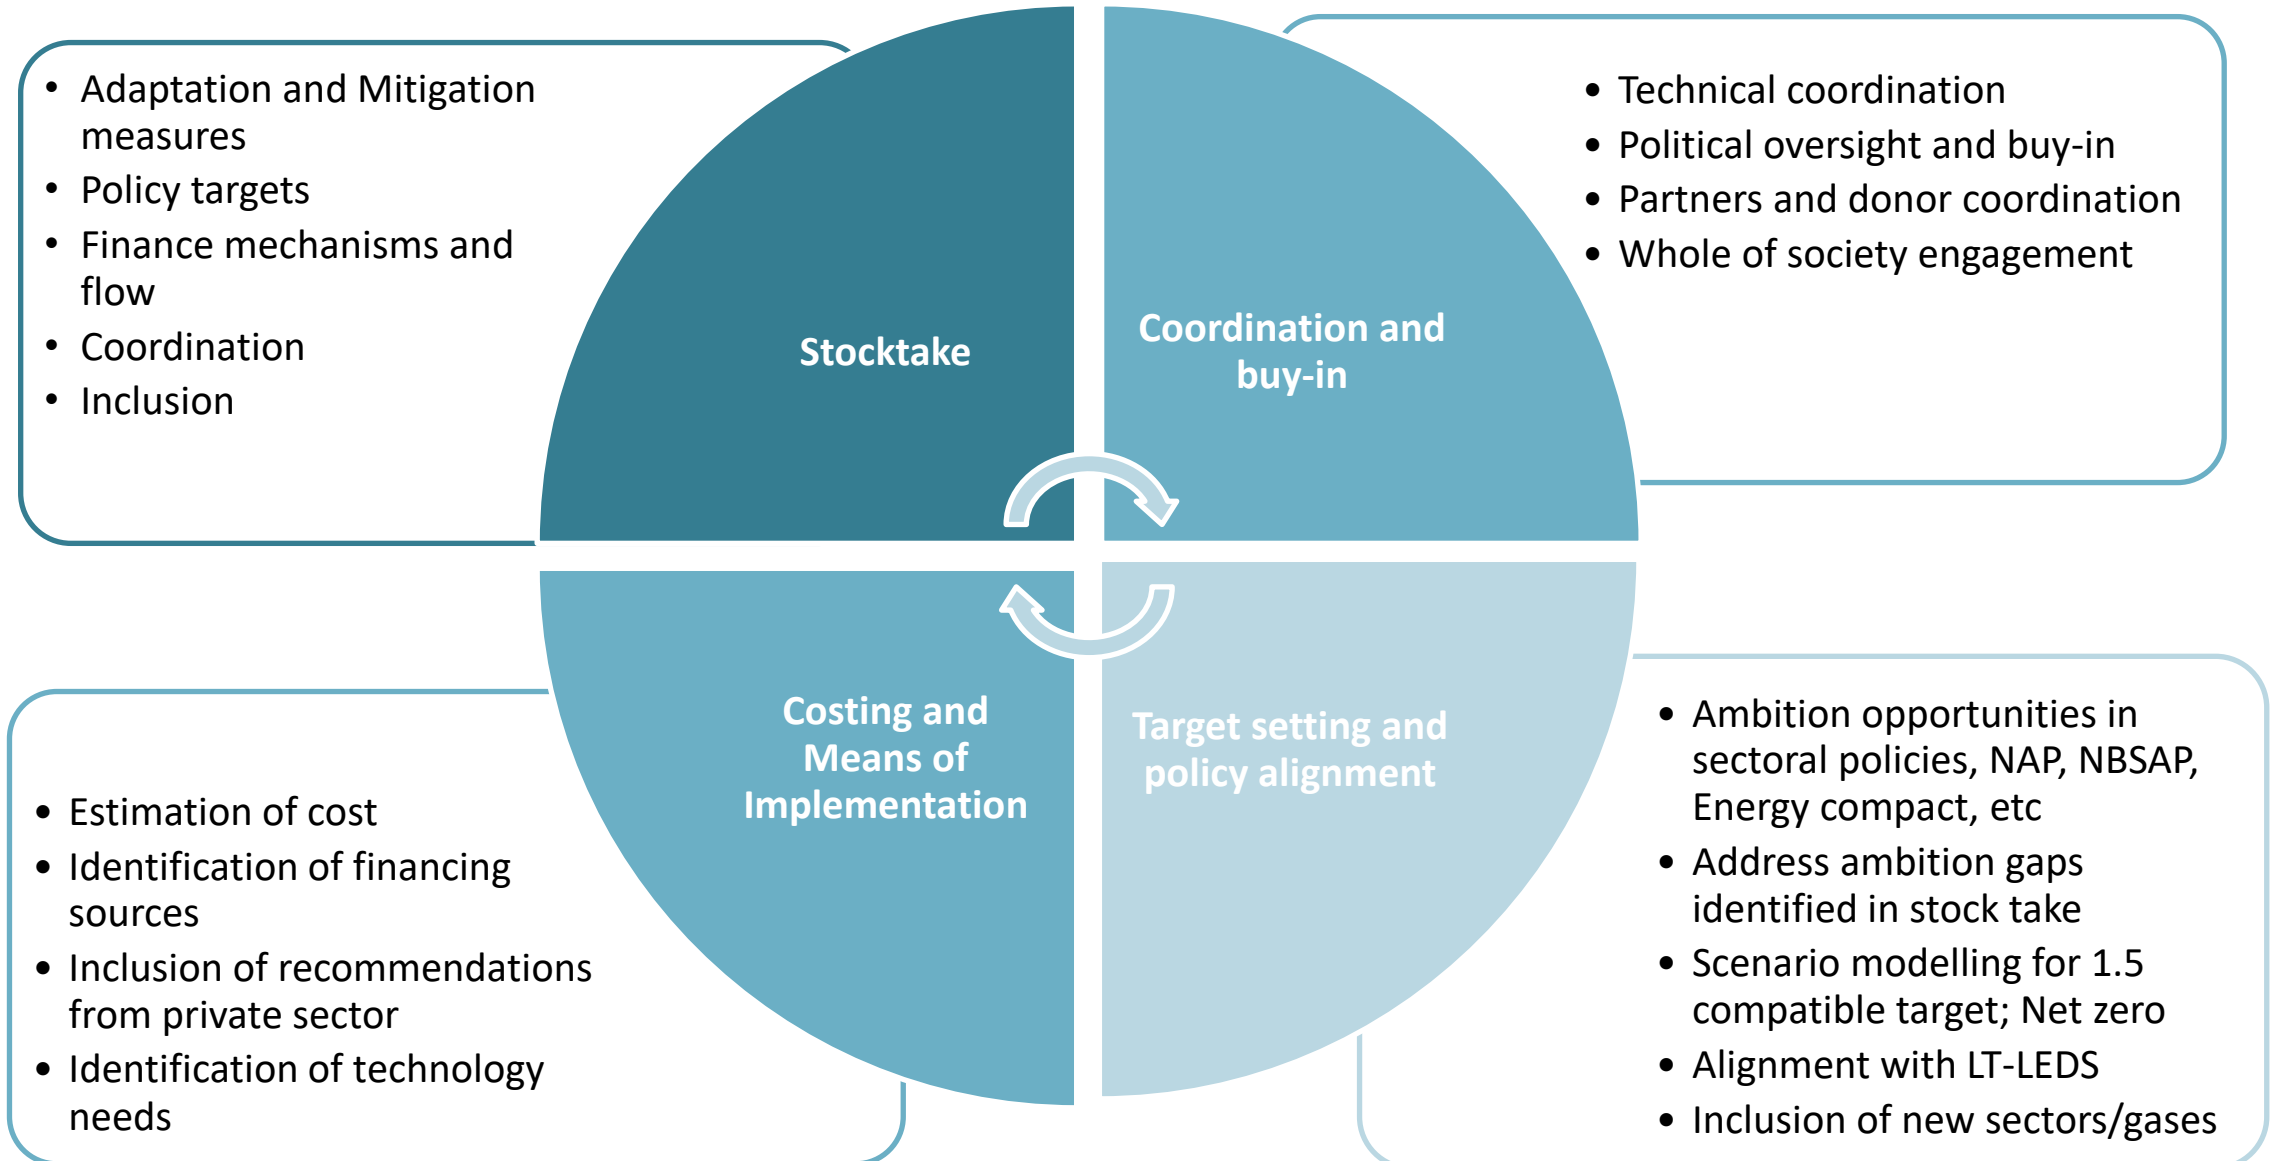

Climate Promise Results in the Region

- Supported the enhancement of 6 NDCs
- Led groundbreaking work on Just Transition, MRV, Energy and NDC Financing
- Pioneered carbon footprint programme targeting the Private Sector
- Convened a dialogue bringing together a wide range actors in the region and internationally to exchange information and discuss NDC implementation and enhancement

Areas of support for NDC Enhancement in 2025

Sequence of Support

Initial support – Starting in April 2024

- National Stock Take

Additional support – From June 2024

- Coordination
- Enhancement
- Costing and Means of Implementation

Acceleration of NDC
implementation -
Ongoing

Strengthen Inclusivity – underpinning all support

Looking forward to working together to support countries to develop and deliver bold climate action!
