

UNFCCC Gender Action Plan

Chile experience on Gender Responsive Budget Governance and coordination

Bonn June 13th, 2023

Agenda

- ✓ Gender approach in Chile.
- ✓ Measurement climate change expenditure in Chile → Advancements and lessons learned.
- ✓ Gender sensitive budget.
- ✓ Next Agenda

Gender approach in Chile

- ✓ National Service of Woman → 1991

- ✓ Ministry of Woman and Gender Equality → 2016
 - ✓ To end inequalities between men and women.
 - ✓ To shorten the gender gaps that are expressed in salaries and representativeness in decision-making spaces.
 - ✓ To overcome the barriers that women face in accessing and maintaining the world of work, education, politics and society in general.

- ✓ Transversal policy through different government administrations.

- ✓ Current government → Feminist and ecologist government → Gender and Climate Change.

- ✓ Gender representatives on each Ministry → Gender and climate change table Environment Ministry .

Measurement climate change expenditure in Chile – Advancements and lessons learned.

- ✓ Climate change agenda at State Level → not depending on current government.
- ✓ Leadership of Ministry of Finance and the Budget Office → previous not successful exercises.
- ✓ Limitations of public budget → Economic classification (nature) and high aggregation.
- ✓ Ex-post on databases and ex-ante/ex-post pilots with ministries.
- ✓ Publication of methodological notes on each exercise and lessons learned.
- ✓ 2021 programmatic offering and investment report to National Congress.
- ✓ 2022 Investment report (in process).

Gender sensitive budget

- ✓ Leadership of Budget Office – Ministry of Finance.
- ✓ Capacity building and experiences exchange → Ministries representatives.
- ✓ Diagnosis of methodologies and countries experiences.
- ✓ Ex-Post exercises with UNDP over programmatic offering and investment initiatives.
- ✓ Budget 2024 preparation process → Appendix with current expenditure 2024.
- ✓ Long term goal → Gender Sensitive Budget 2024.

Next agenda

Tomorrow

- ✓ Resource planning and allocation.
- ✓ Accountability.

Many thanks!
