## **BODIES UNDER THE CONVENTION, KYOTO PROTOCOL AND PARIS AGREEMENT INFORMATION AND CRITERIA FOR MEMBERSHIP**

### **I. The Bureau of the COP, CMP and CMA**

1. The Bureau supports the COP, CMP and CMA through the provision of advice and guidance regarding the ongoing work under the Convention, the Kyoto Protocol, and the Paris Agreement, the organization of their sessions and the operation of the secretariat, especially at times when the COP, CMP, and CMA are not in session. The Bureau is elected from representatives of Parties nominated by each of the five United Nations regional groups and Small Island Developing States. The Bureau is mainly responsible for questions of process management. It assists the President in the performance of his or her duties by providing advice and by helping with various tasks (e.g. members undertake consultations on behalf of the President). The Bureau is responsible for examining the credentials of Parties, reviewing the list of IGOs and NGOs seeking accreditation, and submitting a report thereon to the Conference.
2. The draft rules of procedure of the COP, being applied, state that: “At the commencement of the first meeting of each ordinary session, a President, seven Vice-Presidents, the Chairmen of the subsidiary bodies established by Articles 9 and 10 of the Convention, and a Rapporteur shall be elected from among the representatives of the Parties present at the session. They will serve as the Bureau of the session. Each of the five regional groups shall be represented by two Bureau members and one Bureau member shall represent the small island developing states. The offices of President and Rapporteur shall normally be subject to rotation among the five regional groups.” No officer may serve on the Bureau for more than two consecutive terms of one year.<sup>4</sup>
3. The Kyoto Protocol provides that: “When the Conference of the Parties serves as the meeting of the Parties to the Kyoto Protocol, any member of the Bureau of the Conference of the Parties representing a Party to the Convention but, at that time, not a Party to this Protocol, shall be replaced by an additional member to be elected by and from amongst the Parties to this Protocol”.<sup>5</sup> The Paris Agreement also provides that: “When the Conference of the Parties serves as the meeting of the Parties to the Paris Agreement, any member of the Bureau of the Conference of the Parties representing a Party to the Convention but at that time, not a Party to this Agreement, shall be replaced by an additional member to be elected by and from amongst the Parties to this Agreement”.<sup>6</sup>
4. At COP 24, eleven (11) members of the Bureau of the COP, CMP and CMA, nominated by the following groups and SIDS, will be elected to serve for a term of one year:
  - Two members nominated by the Group of African States (Africa);
  - Two members nominated by the Group of Asia-Pacific (Asia-Pacific);
  - Two members nominated by the Group of Eastern European States (Eastern Europe);
  - Two members nominated by the Group of Latin America and Caribbean States (GRULAC);

## **II. The Bureaux of the Subsidiary Body for Scientific and Technological Advice (SBSTA) and the Subsidiary Body for Implementation (SBI)**

1. The SBSTA is one of the permanent subsidiary body established under Article 9 of the Convention. It supports the work of the COP, the CMP and the CMA through the provision of timely information and advice on scientific and technological matters as they relate to the Convention, its Kyoto Protocol and the Paris Agreement.
2. The SBI is the other permanent subsidiary body established under Article 10 of the Convention. It supports the work of the COP, the CMP and the CMA through the assessment and review of the effective implementation of the Convention, its Kyoto Protocol and the Paris Agreement. The SBI also advises the COP on budgetary and administrative matters.
3. The draft rules of procedure of the COP provide that each subsidiary body shall elect its own Vice-Chair and Rapporteur.<sup>7</sup> The Kyoto Protocol further provides that: “When the subsidiary bodies established by Articles 9 and 10 of the Convention exercise their functions with regard to matters concerning this Protocol, any member of the Bureaux of those subsidiary bodies representing a Party to the Convention but, at that time, not a party to this Protocol, shall be replaced by an additional member to be elected by and from amongst the Parties to this Protocol”.<sup>8</sup> The Paris Agreement also provides that: “When the subsidiary bodies established by Articles 9 and 10 of the Convention exercise their functions with regard to matters concerning this Agreement, any member of the Bureaux of those subsidiary bodies representing a Party to the Convention but, at that time, not a party to this Agreement, shall be replaced by an additional member to be elected by and from amongst the Parties to this Agreement”.<sup>9</sup>

### III. The Adaptation Fund Board (AFB)

1. At the third session of the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP 3), Parties in decision 1/CMP.3 decided to establish the Adaptation Fund Board (AFB) as the operating entity to supervise and manage the Adaptation Fund, under the authority and guidance of the CMP. The AFB is fully accountable to the CMP, which decides on the overall policies of the Adaptation Fund. The Adaptation Fund was established to finance concrete adaptation projects and programmes in developing country parties that are particularly vulnerable to the adverse effects of climate change. The Fund is filled by a 2% levy on CDM transactions.
2. Upon invitation from Parties, the Global Environment Facility (GEF) provides secretariat services to the AFB and the World Bank serves as trustee of the Adaptation Fund on an interim basis. These interim institutional arrangements will be reviewed in 2011.
3. The AFB comprises 16 members and their alternates, nominated by the relevant Chairs and Coordinators of groups and constituencies and elected by the CMP to serve for a term of two years. Members and alternate members are eligible to serve a maximum of two consecutive terms.<sup>10</sup> Terms served as members do not count towards the terms served as alternate members, and terms served as alternate members do not count towards the terms served as members.<sup>11</sup>
4. At CMP 14, the CMP will be invited to elect to serve for a term of two years, eight (8) members and eight alternate members to the AFB as follows:
  - One member and one alternate member nominated by Africa;
  - One member and one alternate member nominated by Asia-Pacific;

<sup>11</sup> See paragraph 16, decision 1/CMP.4.

<sup>12</sup> See paragraph 8, decision 1/CMP.3.

#### IV. The Executive Board of the Clean Development Mechanism (CDM)

1. The CDM Executive Board (CDM-EB) supervises the Kyoto Protocol's Clean Development Mechanism under the authority and guidance of the CMP (see decision 3/CMP.1). The CDM-EB is the ultimate point of contact for CDM Project Participants for the registration of projects and the issuance of certified emission reductions. The CDM, defined in Article 12 of the Protocol, allows a country with an emission-reduction or emission-limitation commitment under the Kyoto Protocol (Annex B Party) to implement an emission-reduction project in developing countries. Such projects can earn saleable certified emission reduction (CER) credits, each equivalent to one tonne of CO<sub>2</sub>, which can be counted towards meeting Kyoto targets.
2. The CDM Executive Board comprises 10 members and 10 alternate members, nominated by the relevant Chairs and Coordinators of groups and constituencies and elected by the CMP to serve for a term of two years. Members and alternate members are eligible to serve a maximum of two consecutive terms and remain in office until their successors are elected. Terms served as members do not count towards the terms served as alternate members, and terms served as alternate members do not count towards the terms served as members.<sup>13</sup>
3. At CMP 14, the CMP will be invited to elect to serve for a term of two years, five (5) members and five (5) alternate members to the Executive Board as follows:
  - One member and one alternate member nominated by Africa;
  - One member and one alternate member nominated by Asia-Pacific;
  - One member and one alternate member nominated by GRULAC;
  - One member and one alternate member nominated by WEOG; and
  - One member and one alternate member nominated by Annex I Parties.
4. Chairs and Coordinators of groups and constituencies are invited to submit nominations, bearing in mind the skills and expertise required of members and alternates sitting on the CDM Executive Board, as decided by the CMP, in particular that all members and alternate members of the Board should:
  - (a) Have experience and competence in developing policy and strategy frameworks within regulatory processes, preferably but not necessarily in an international environment;
  - (b) Have an understanding of business perspectives regarding investment in the environmental field;
  - (c) Have knowledge on and an understanding of the intergovernmental process in relation to climate change or other environmental agreements, and an appreciation of the nexus of actions to combat climate change and promote sustainable development;
  - (d) Be prepared to obtain further knowledge on and understanding of decisions of the CMP relevant to the CDM and guidance previously established by the Board;
  - (e) Exhibit the highest levels of professionalism and competence and a commitment to act in their individual capacities and in a manner consistent with the Board's code of conduct;

---

<sup>13</sup> See rules 3 and 4 of the rules of procedure of the CDM Executive Board.

- (f) Show commitment to the effective management of the CDM and to working as a team with other members and alternate members, including in relation to reaching consensus;
- (g) Have competence in English (written and oral).<sup>14</sup>

#### **V. The Consultative Group of Experts on National Communications from Parties not included in Annex I to the Convention (CGE)**

1. In order to improve national communications (NCs) and the Biennial Update Reports (BURs) from developing country Parties through technical advice and support, in 1999 the COP established the Consultative Group of Experts on National Communications from non-Annex I Parties (CGE) (Decision 5/CP.8). The CGE is the key technical support element under the Convention to assist developing country Parties in meeting their reporting obligations.
2. At COP 19, the COP decided to continue the CGE and to review the term and the mandate of the CGE and the need for continuation of the group at its twenty-fourth session.<sup>15</sup> At COP 24, should the COP decide to continue or reconstitute the CGE, Chairs and Coordinators of groups and constituencies will be invited to nominate members during the session.
3. The CGE currently comprises 24 members as follows:
  - 5 members from Africa;
  - 5 members from Asia-Pacific;
  - 5 members from GRULAC;
  - 6 members from Annex I Parties; and
  - 1 member each from 3 international organizations.
4. Groups and constituencies are invited to submit nominations to the CGE bearing in mind that the experts of the CGE shall be composed of experts drawn from the UNFCCC roster of experts with expertise in at least one of the sections of national communications or biennial update reports in accordance with the relevant guidelines.<sup>16</sup>
5. More information about the CGE is available at the following link: [http://unfccc.int/national\\_reports/non-annex\\_i\\_natcom/cge/items/2608.php](http://unfccc.int/national_reports/non-annex_i_natcom/cge/items/2608.php)

<sup>15</sup> See paragraph 1 of decision 19/CP.19, and paragraph 2 of decision 20/CP.22.

<sup>16</sup> See paragraph 4, decision 19/CP.19.

## VI. The Paris Committee on Capacity Building

1. The Paris Committee on Capacity-building (PCCB) was established by the Conference of the Parties (COP) in 2015 (see decision 1/CP.21) as part of the adoption of the Paris Agreement to address gaps and needs, both current and emerging, in implementing capacity-building in developing country Parties and further enhancing capacity-building efforts, including with regard to coherence and coordination in capacity-building activities under the Convention. In 2016, Parties adopted the terms of reference of the PCCB in Marrakech, at COP 22.
2. In addition, the PCCB manages and oversees the 2016–2020 workplan, which was also agreed in Paris and outlines various activities. Furthermore, at COP 23 as one of the outcomes of the third comprehensive review of the implementation of the framework for capacity-building in developing countries under the Convention, an invitation was extended to the PCCB with regard to the management of the 2016–2020 workplan.
3. The PCCB comprises 12 members, nominated by the relevant Chairs and Coordinators of groups and constituencies and elected by the COP. Members and alternate members of the PCCB are eligible to serve a maximum of two consecutive terms.<sup>17</sup>
4. At COP 24, the COP will be invited to elect to serve for a term of two years, six (6) members to the PCCB as follows:
  - a. One member from Africa;
  - b. One member from Asia-Pacific;
  - c. One member from Eastern Europe;
  - d. One member from GRULAC;
  - e. One member from WEOG; and
  - f. One member from SIDS or from LDCs (see paragraph 36 below).
5. The Chairs and Coordinators of Asia-Pacific, Eastern Europe, SIDS and LDCs are urged to inform the secretariat which of their two members is currently serving on the Committee for a term of two years and which is serving for a term of three years. This will ensure that the elections at COP 24 are held for the positions of those members who are completing their two-year term of office in 2018.
