

THE WOMEN'S ENVIRONMENT AND DEVELOPMENT ORGANIZATION

GENDER & CLIMATE CHANGE

MAINTAINING MOMENTUM ON THE GAP

WEDO Focus Areas

LEADERSHIP

leadership, negotiations and diplomacy skills training with women delegates from LDCs & SIDs - making tools virtual.

FINANCE

research, monitoring and awareness raising with climate funds and women's organizations on gender-responsive finance.

NGCCFPs

outlining challenges, barriers and developing tailored capacity and tools with 3-4 countries.

NDCs

spotlight report on areas of progress in integrating gender into NDCs, maintaining the Gender Climate Tracker.

WOMEN & GENDER CONSTITUENCY

www.womengenderclimate.org

- Mentorship and matchmaking programs with the "Gender-Just Climate Solutions" - working to finance and scale women-led, gender just and climate friendly solutions.
- Webinar series, including a range of topics and emphasizing work done to integrate women's organizations into NDC processes and planning.
- Aiming towards great networking at regional level, particularly making connections to National Gender and Climate Change Focal Points.
- Connecting to the Beijing +25 Process and the Action Coalition on "Feminist Action for Climate Justice."
- WGC also involved in a collective feminist response to COVID-19, so engagement around what a 'just recovery' looks like.
