Working group 3: Technical Expert Group on Comprehensive risk management	Collaboration area	Christoph
Working group 4: Task Force on Displacement	Room behind the Collaboration area	Cornelia

Guidance to the working groups

1. Develop an initial plan of action for current activities
2. Consider the priority activities for 2019 – 2021
3. Consider potential areas for collaboration across workstreams and with other bodies and work programs of the Convention/Paris Agreement
4. Discuss opportunities as relates to strategic workstream “E”
5. Consider opportunities for communication
6. Consider opportunities for gender mainstreaming

Agenda Items to Guide the deliberations of all the parallel working groups

- Agenda item 6. Work of the expert groups of the Excom
- Agenda item 8. Priority activities for 2019–2021 contained in the five-year rolling workplan
- Agenda item 9. Emerging needs and cross-cutting issues arising from the guidance by the COP

In addition to the Agenda Items above, the working group on the **Task Force on Displacement** to consider:

- Agenda item 7. Elaboration of terms of reference of the task force on displacement
