Xing Zhang

Climate Head, Senior Climate Policy Specialist, Asian Infrastructure Investment Bank

Dr. Xing Zhang is the Climate Head and Senior Climate Policy Specialist at the Asian Infrastructure Investment Bank (AIIB). He leads the Climate team in providing strategy, policy and operation support for AIIB in promoting Green Infrastructure financing and delivering its Climate ambitions together with both public and private sector partners. His team is also responsible for developing and coordinating the Bank's overall approaches in

ESG and Biodiversity in view of their inherent linkages with climate change. He used to work in the International Finance Corporation of the World Bank Group (IFC) in promoting climate finance in the private sector, including for example deepening Asian green bond and green loan markets through product innovation and standard setting. Prior to IFC, he worked in the UN Climate Secretariat (UNFCCC) to support forging international climate governance and collaborations, specifically on the agendas of market-based mechanism.
