# Youth4Climate

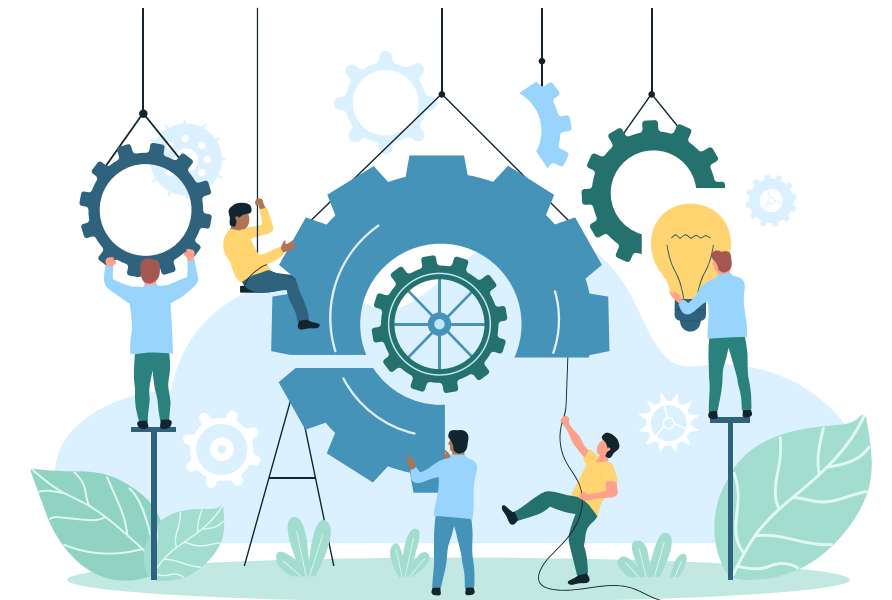

# ITALY & UNDP

Y4C is a global project co-led by **UNDP** and **the Government of Italy** and co-shaped with **youth** and other **strategic partners**.

Y4C brings together existing and new offline and online **resources, tools, capacities, partnerships, networks, and movements** by and for youth through its Y4C platform (+16,000 members: young people, international organizations, the scientific community, and the private sector).

It has a strong focus on **supporting the implementation** of youth-led and youth-inclusive climate solutions, both **financially and in-kind**, for a more sustained climate impact on the ground.
