2024 Global Youth Statement (GYS)

The Global Youth Statement Versions

Full Version

- A GYS theme is an overarching topic that has sub-themes under it with several demands
- Compiled through the synthesis of the contributions of individuals, Working Groups, LCOYs, RCOYs
- They're chosen based on importance and relevance to voting with YOUNGO WGs and members
- Two types : Negotiated and Non-negotiated themes.

Negotiations Aligned Demands Version (NAD)

- Based on the COP, CMA, CMP, SBI and SBSTA Agendas
- Reflects children and youth' recommendations for each of the negotiation items at COP29

COP29 Edition Launch

**THEMATIC
VERSION**

The Global Youth Statement Versions

- The Global Youth Statement synthesizes the collective demands of children and youth across the world, represented by YOUNGO, to global leaders
- Key policy document for youth lobbying:
 - In YOUNGO interventions
 - In bilateral meetings
 - In any conversation with a decisionmaker!

Food & Agriculture GYS Demands

Food and agriculture must remain a priority on the COP29 agenda.

A framing and understanding of a food systems perspective
Tracking progress, challenges and implementation

Adopting agroecology as a sustainable and holistic approach
Ensure the inclusivity of and access to the portal
