SUCCESS FACTORS/BEST PRACTICES

- Nomination of 2 focal points from Ministry of Environment and Ministry of Finance or Planning
- Effective facilitation on the ground in sync with a country-driven approach
- Mobilization of human resources and partners on the ground
- Strengthened institutional arrangement for the tracking of progress (on implementation) and multis-stakeholder engagement
- Facilitate regional/ peer- peer learning/dialogue opportunity
- Match country needs with available knowledge resources, and help fill gaps in the resource base
- Build trust & legitimacy, and nurture neutrality
- Openness on integration of gender/indigenous knowledge

LOOKING FORWARD

- Strengthen coordination among international partners on the ground
- Facilitate the alignment/matching of supply and demand
- Bring domestic and international private sector, investors
- Still lot of efforts to enhance the integration of indigenous knowledge and gender.
- Connect this domestic endeavor to the ambition mechanism
- Create one-stop shop?
