Agenda item 2.1. Membership issues

5. Members and alternate members of the Supervisory Body made available statements of actual, potential or perceived conflicts of interest with respect to the issues on the agenda of this meeting, as reflected on the United Nations Framework Convention on Climate (UNFCCC) website.³

Agenda item 3. Regulatory and procedural matters

Agenda item 3.1. Methodologies

6. The Supervisory Body considered the information notes “Compilation and analysis of stakeholder inputs on the requirements for the development and assessment of Article 6.4 methodologies” and “Compilation and analysis of stakeholder inputs on activities involving removals under the Article 6.4 mechanism”, as contained in annex 1 and annex 2 to the annotated agenda, respectively, and requested the secretariat to update these information notes based on any inputs received at the Supervisory Body’s engagement event to be held in Bonn on 3 June 2024 at the sixtieth sessions of the Subsidiary Bodies (SB 60) and guidance provided by the Supervisory Body at this meeting, for consideration by the Supervisory Body at its next meeting.
7. In updating the information notes referred to in paragraph 6 above, the secretariat will compile the inputs according to existing categories and include additional sections to cover all inputs made. The updated information notes will also include options to revise the documents developed by the Supervisory Body at its ninth meeting (i.e. A6.4-SB009-A01: “Requirements for the development and assessment of Article 6.4 mechanism methodologies” and A6.4 SB009 A02: “Activities involving removals under the Article 6.4 mechanism”).
8. Taking into account the stakeholder inputs in the documents referred to in paragraph 6 above, the Supervisory Body agreed on a set of guiding questions for its SB 60 engagement event as contained in annex 1.⁴
9. The Supervisory Body requested the Methodological Expert Panel to take into account the stakeholder inputs referred to in paragraph 6 above, guidance from the Supervisory Body at this meeting and any inputs received at the SB 60 engagement event, under its work programme mandated by the Supervisory Body,^{5, 6} in particular under the concept notes on “large-scale crediting programmes”, “equitable sharing of mitigation benefits”, “taking account of policies and measures and relevant circumstances” and “applicability of removal guidance to emission reductions activities and vice versa”.
