

18<sup>th</sup> meeting of the Adaptation Committee

Agenda item 8(b)

**Scoping note for the 2021 technical paper on the application of technologies for adaptation**

9-12 November 2020

## I. Background

---

- ❖ AC workplan
  - Technical paper (2021): Technologies for adaptation
  - Topic & scoping note (second half of 2020)
- ❖ In considering topic, looking at
  - Work by AC, TEC, CTCN
  - Needs by developing countries > TNAs

### III. Next steps

---

## The AC may wish to:

- Consider focussing its technical paper on enhanced stakeholder engagement, including the private sector, in technology planning and implementation
- Following agreement on a topic, request the secretariat to prepare a first draft for consideration at AC19.
