

21st meeting of the Adaptation Committee

Agenda item 7F

Private sector engagement in the formulation and implementation of NAPs. Concept note for an event at the 2022 NAP Expo

28 – 31 March 2022

I: Introduction and background

- ❖ The Adaptation Committee has over the past years advanced its work and guidance on how the private sector can contribute to meaningful climate change adaptation action;
- ❖ In its 2022-2024 flexible workplan, the Adaptation Committee decided to “hold an event at the NAP Expo on best practices, lessons learned, challenges and opportunities related to engaging the private sector in NAP formulation and implementation”.

II: Potential topics for an event at the 2022 NAP Expo

- ❖ Based on the findings of the previous work, the following topics for an event at the 2022 NAP Expo could add value to the previous work:
 - a) Improving the interplay between governments and the private sector on national adaptation planning and implementation;
 - b) Promoting the inclusion of (micro,) small and medium enterprises ((M)SMEs) in national adaptation planning and implementation
 - c) Closing the data gap in climate change adaptation planning and implementation in collaboration with the private sector.

III. Next steps

- ❖ The AC may wish to:
 - Consider the concept note and decide on topic(s) for the event at the 2022 NAP Expo.
