

21st meeting of the Adaptation Committee

Agenda item 8d

Technical paper featuring case studies on the development and application of monitoring and evaluation systems at the national and subnational level

28 – 31 March 2022

I: Introduction and background

- ❖ In its workplan for 2022-2024, the AC agreed to prepare a **technical paper featuring case studies on the development and application of monitoring and evaluation (M&E) systems at the national and subnational level**

II: Draft Outline

- ❖ For AC21, the following draft outline was prepared:
 - **Chapter I:** Introduction and background
 - **Chapter II:** Methodological and conceptual issues in M&E
 - **Chapter III:** Development and application of M&E systems at the national level
 - **Chapter IV:** Development and application of M&E systems at the subnational level
 - **Chapter V:** Discussion
 - **Chapter VI:** Conclusion and next steps

III. Next steps

- ❖ At AC21, the AC may wish to **agree on the outline** for the technical paper, **invite case study submissions** from NWP partners to inform the paper, **and provide further guidance** to the secretariat on its preparation.

- ❖ In addition, the AC may wish follow this indicative timeline:
 - **April 2022:** Finalize the outline of the technical paper, issue the invitation for submissions from NWP partners, and begin researching and drafting.
 - **August 2022:** Review an initial draft of the paper intersessionally.
 - **September 2022:** Review an updated draft of the paper during AC22 and provide additional guidance.
 - **March 2023:** Approve a final draft of the paper during AC23 and agree on next steps, as needed.
