

24th meeting of the Adaptation Committee

Agenda item 6.b

Adaptation Committee information
series on the State of Adaptation

Country profiles

10-13 October 2023

United Nations
Climate Change
**Adaptation
Committee**

I. Chronology

2021

- AC 20: include in workplan 2022-24 annual flagship publications to inform on recent adaptation-related developments, and summarizing adaptation-related facts and figures, from national reports submitted to the secretariat and other relevant sources => Accessible format, raising AC's profile, assist AC in contributing to GST

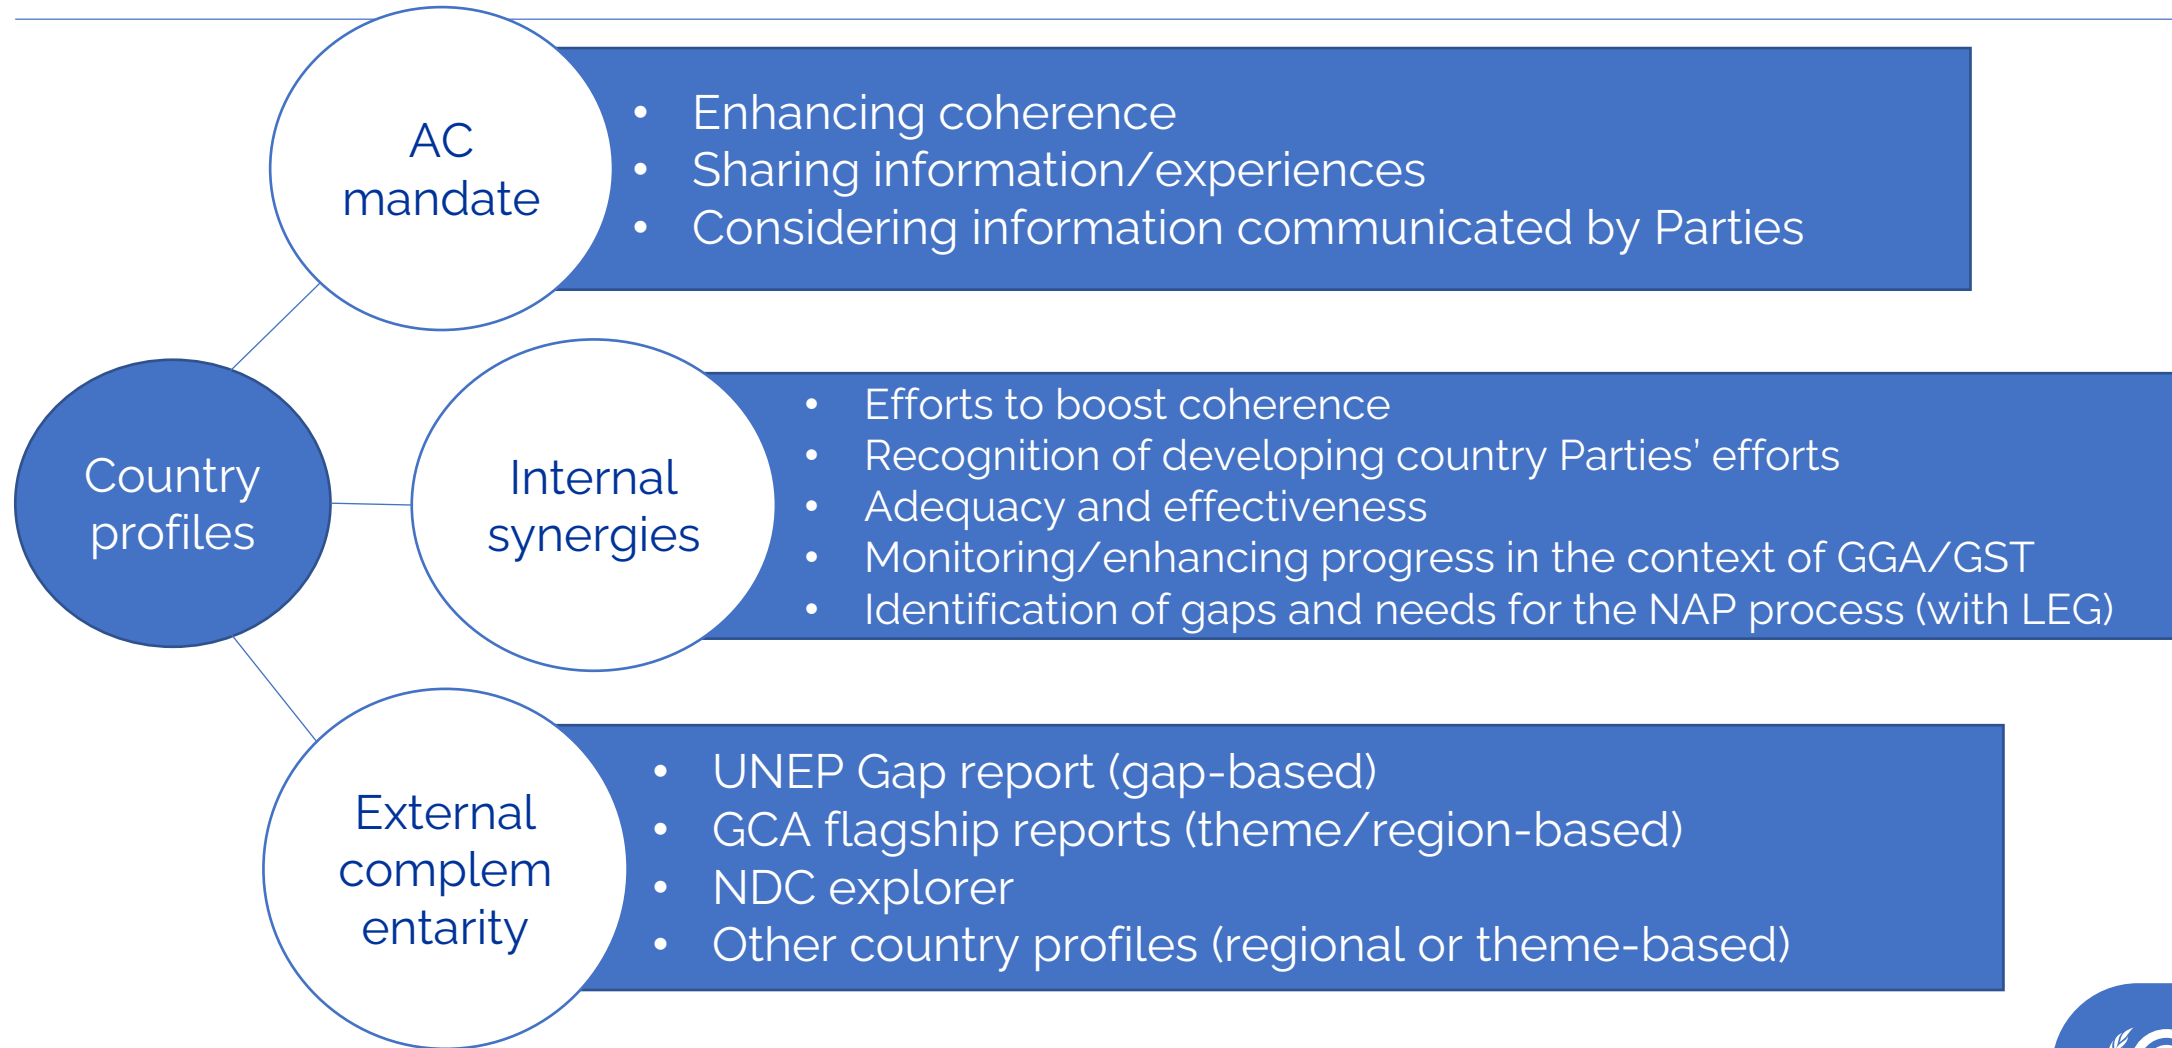

2022

- AC 21: initial considerations of target audience, approach, scope, style
- Intersessional meeting: consideration of draft outline and presentation style
- AC 22: consideration of draft chapters and design – questioning of sources and proposal to focus on national reports
- Intersessional meeting: adoption of proposal to split into online country profiles and complementary report
- COP 27: AC side event to present the idea to wider audience and seek feedback

2023

- AC 23: consideration of latest approach taking into account intersessional decision and feedback from COP 27 side event – questioning the need for summary of country profiles
- Intersessional approval of country profile template

II. Context and synergies

III. Expected benefits

- ❖ One-stop-shop/ global source of information (e.g. good practices, case studies, stakeholders)
- ❖ Mutual learning
- ❖ Benchmarking
- ❖ Monitoring progress over time (input to GSTs)
- ❖ Synergies with other AC products and activities

IV. Status of work and next steps for the secretariat

❖ Status of work:

- Approx. 175/198 profiles finalized

❖ Next steps:

- Review and ensure coherence among all profiles
- Validation of information (adaptation contact points?)
- Development of the online tool (including search and filter functions to boost user-friendliness/usefulness) + project description

IV. Next steps – the AC may wish to...

- ❖ Agree on a validation process for the profiles
- ❖ Consider possible ways for updating them
