Assessment of progress made in the process to formulate and implement national adaptation plans (3/CP.26)

Approach for the meeting of Party Experts by the LEG
- inputs from the advisory group

13 March 2024

Least developed Countries Expert Group (LEG)

Background and mandate

- ❑ The COP at its twenty-sixth session requested the Subsidiary Body for Implementation (SBI), at its sixtieth session (June 2024), to initiate the assessment of progress in the process to formulate and implement NAPs, and to make recommendations on this matter for consideration and adoption by COP 29 (November 2024).
- ❑ The COP has conducted two assessments on progress in the process to formulate and implement NAPs – one in 2015 resulting in decision 4/CP.21, and one in 2018 resulting in decision 8/CP.24.

As part of the steps necessary for the SBI to initiate the assessment, the COP through decision 3/CP.26, para. 3d and 3e):

- Requested the LEG, in collaboration with the Adaptation Committee, to organize a meeting of Party experts, at which a synthesis report (prepared by the secretariat) would be considered, with a view to providing a summary of progress in the process to formulate and implement NAPs;
- Requested the LEG, in collaboration with the Adaptation Committee and with the support of the secretariat, to prepare a report on the assessment meeting, for consideration by SBI 60 in its assessment of progress in the process to formulate and implement NAPs.

Methodology and design of the expert meeting

- ❑ The expert meeting is tentatively scheduled to take place from 23-25 April, 2024, together with the NAP Expo 2024, in Dhaka, Bangladesh.
- ❑ The meeting will draw conclusions on progress made towards the achievement of the objectives of the process formulate and implement NAPs, experiences, best practices, lessons learned, gaps and needs, support provided and received, and on how the guiding principles on NAPs have been addressed.
- ❑ A set of questions are proposed to guide discussions at the meeting as well as for collection of information.
