

25th meeting of the Adaptation Committee

Agenda item 5c

United Nations
Climate Change
**Adaptation
Committee**

Collaboration under the UNFCCC

Collaboration with the Nairobi work programme

12-15 March 2024, Bonn

Rosa Morales, AC member

I. Introduction and background

- ❖ **AC mandate:** promote synergy and strengthening engagement with national, regional and international organizations, centres and networks and sharing relevant information, knowledge, experience and good practices
- ❖ **NWP: 450+ partners**
- ❖ **NWP mandate:** facilitate and catalyse the development and dissemination of information and knowledge to inform and support adaptation policies and practices, with a focus on developing countries
- ❖ SBSTA 46, followed by decision 17/CP.19, invited the AC, in accordance with its mandate and functions, to provide recommendations for activities to be undertaken under the NWP

II. Overview

- ❖ Most recent advice from AC to NWP in 2022.
- ❖ Modalities of work:
 - The Lima Adaptation Knowledge Initiative (LAKI)
 - Thematic expert groups
 - UN Climate Change and Universities Partnership Programme
 - Action Pledges
 - Individual experts
 - Adaptation Knowledge Portal
- ❖ SBSTA 58 (June 2023) inter alia:
 - Reiterated NWP mandate to provide knowledge support to constituted bodies
 - Requested secretariat to organize an event on monitoring, evaluation and learning systems

III. Possible areas for further knowledge support by NWP partners

- ❖ Adaptation monitoring, evaluation and learning
- ❖ Training in the context of the GGA
- ❖ Addressing gaps and needs
- ❖ Contributions to the UAE – Belém work programme on indicators
- ❖ Regional work
- ❖ Recognizing adaptation efforts of developing countries
- ❖ Information/knowledge sharing
- ❖ General support to the implementation of the AC's current workplan
- ❖ And looking ahead: continue supporting the AC's future workplan

IV. Next steps – the AC may wish to...

- ❖ Consider the possible areas for further knowledge support by NWP partners contained in section 4;
- ❖ Consider barriers to collaboration between the AC and the NWP and modalities for better interaction (if time allows)
- ❖ Request the secretariat to communicate the advice to the Chair of the SBSTA immediately after AC 25 in order for it to be reflected in the progress report of the NWP to SBSTA 60.
