Agenda item 12

Flexible workplan of the AC for
2025-2027

9-13 September 2024, Bonn

Presenter: xx, AC member or secretariat

I. Introduction and background

- Mandate: 2/CP.17, requested the AC to develop a three-year plan for its work, in accordance with its agreed functions
- Current workplan covering 2022-2024
- Principle of flexibility
- Initiated consultations on 2025-2027 workplan at AC 25
- Agreed on time line
- Party guidance through negotiations, observers inputs through through AC meetings and per email

II. Timeline

- April 2024: Co-Chairs, interested AC members and the secretariat screen priority areas discussed, and elaborate a first set of possible activities to address these areas;
- May 2024: 1st conference call with interested AC members to discuss:
 - The structure of the workplan (see chapter 4 below);
 - An overview of adaptation-related activities from other adaptation-related constituted bodies;
 - Modalities and timing of consultations with other constituted bodies;
 - The possibility of seeking inputs from observers;
- End of June 2024: 2nd conference call with interested AC members to discuss a first order draft;
- Mid-August 2024: 3rd conference call with interested AC members to discuss a second order draft;
- July – September 2024: Consultations on collaboration opportunities with Constituted Bodies
- AC 26 (9-13 September 2024): Approval of the workplan for inclusion in the 2024 annual report of the AC

II. Current draft

- Taking into account AC objective and functions as per decision 1/CP.16, and mandated cross-cutting considerations
- Organized in three workstreams:
 - 1: Providing technical support and guidance for the implementation of national adaptation processes
 - 2: Considering Party information on adaptation
 - 3: Communication, collaboration and coherence

IV. Next steps – the AC may wish to...

- consider the draft workplan contained in document AC20/WP/12 and agree on its flexible three-year workplan for the years 2025-2027.
