Flexible workplan of the Adaptation Committee for 2022–2024

[English only]

2022	2023	2024	Collaboration
Workstream 1: Promoting overarching coherence and collaboration			
At the first regular AC meeting of each year, map mandates, workplans and decisions with adaptation relevance under the Convention and compare and analyse them to consider what actions may need to be, are being or will be undertaken by the AC or other constituted bodies under the Convention and the Paris Agreement, with the engagement of all relevant constituted bodies and their task forces, as appropriate			Constituted bodies
At the first regular AC meeting of each year, provide advice on the delivery of NWP mandates that relate to the work programmes of constituted bodies, and on opportunities to align efforts with those under relevant bodies, workstreams and institutional arrangements, including themes for the NWP Focal Point Forum ^a			NWP partners
Participate, as mandated or if invited and prioritized by AC members, in expert groups and events of other constituted bodies or workstreams under the Convention and the Paris Agreement			Constituted bodies
Participate, if invited and prioritized by AC members, in events organized by other organizations, particularly events that provide access to new audiences			Organizations
Hold first annual dialogue with adaptation-related constituted bodies to discuss ways of further strengthening coherence and collaboration in addressing adaptation	Hold second annual dialogue with adaptation-related constituted bodies to discuss ways of further strengthening coherence and collaboration in addressing adaptation	Hold third annual dialogue with adaptation-related constituted bodies to discuss ways of further strengthening coherence and collaboration in addressing adaptation	Constituted bodies
	Collaborate with the WIM Executive Committee task force on displacement on assisting Parties interested in including displacement associated with climate change in their adaptation communications, nationally determined contributions and NAPs	Collaborate with the FWG of the LCIPP on gender-responsive adaptation action, and traditional knowledge, knowledge of indigenous peoples and local knowledge systems related to adaptation	Constituted bodies
Workstream 2: Awareness-raising, outreach and information-sharing			
Regularly prepare and disseminate the Adaptation Finance Bulletin			AF, GCF, GEF, LEG, SCF
In the second half of each year, prepare the annual report of the AC for submission to the COP through the subsidiary bodies together with an infographic			
Prepare annual flagship publications to inform Parties and other stakeholders of recent adaptation-related developments, and publications summarizing adaptation-related facts and figures from national reports submitted to the secretariat ^b			

2022	2023	2024	Collaboration
Enhance the AC communications plan and strategy, including social media outreach	Hold the Adaptation Forum to discuss and showcase Parties' progress in implementing adaptation action	Hold the Adaptation Forum to discuss and showcase Parties' progress in implementing adaptation action	
Hold the Adaptation Forum to discuss and showcase Parties' progress in implementing adaptation action			
Workstream 3: Providing technical support and guidance on adaptation planning and implementation, including means of implementation, at the national and subnational level			
Prepare a technical paper on methodologies for assessing adaptation needs and their application, as well as on related gaps, good practices, lessons learned and guidelines, for consideration at SBSTA 57 ^c			IPCC Working Group II, as appropriate
Develop, by June 2022, draft supplementary guidance on adaptation communications for voluntary use by Parties in communicating information in accordance with the elements contained in the annex to decision 9/CMA.1 for consideration at SB 57 ^d			IPCC Working Group II, as appropriate, constituted bodies
Advance provision of technical support through the work of the NAP task force, including by developing an online information resource for NAP support on NAP Central, contributing to the organization and delivery of the annual NAP Expos and mainstreaming gender considerations in adaptation planning and implementation			Relevant bodies and organizations through the NAP task force
Consider and approve the workplan of the NAP task force for 2022–2024, which is based on the workplan of the AC			
In the second half of each year, provide input to the SCF for the preparation of the draft decisions on guidance to the operating entities of the Financial Mechanism			
	Hold a dialogue at SB 58 on progress in closing the capacity gaps identified in accessing adaptation funding, and prepare action-oriented briefs or case studies to demonstrate how such capacity gaps could be closed	Hold a dialogue at SB 60 on progress in closing the capacity gaps identified in accessing adaptation funding, and prepare action-oriented briefs or case studies to demonstrate how such gaps could be closed	Universities, NWP partners, NAP task force and other constituted bodies, Parties and organizations
Prepare a series of technical papers on adaptation policy options, to be developed by NWP partners ^e	Continue the series of technical papers on adaptation policy options	Continue the series of technical papers on adaptation policy options	NWP partners
Placeholder for follow-up work on technologies for adaptation and interaction with the CTCN and the TEC	Placeholder for collaboration on adaptation finance with the SCF	Placeholder for collaboration on capacity-building with the PCCB	CTCN, NWP partners, PCCB, SCF, TEC

^f NAP Global Network and UNFCCC. 2019. *Toolkit for a Gender-Responsive Process to Formulate and Implement National Adaptation Plans (NAPs)*. A Dazé and C Church (eds.). Winnipeg, Canada: International Institute for Sustainable Development. Available at <http>

^g Including, as appropriate, exploring the relationship between national monitoring and evaluation systems and overall progress.

^h As per decision 11/CMA.1, para. 13.

ⁱ As per decision 19/CMA.1, para. 24.

^j As per decision 11/CMA.1, para. 35.
