

Reflections on EU capacity building support to the first round of NDCs. What lessons can be used in preparations of the next NDC round?

PCCB side-event on 6 December

Quick introduction: who we are?

1/ What we did

2/ What we do

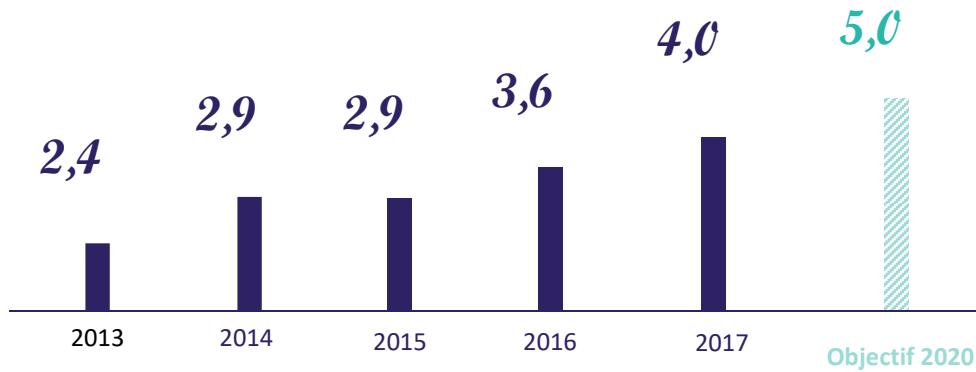

3/ Take Away messages

#MondeEnCommun

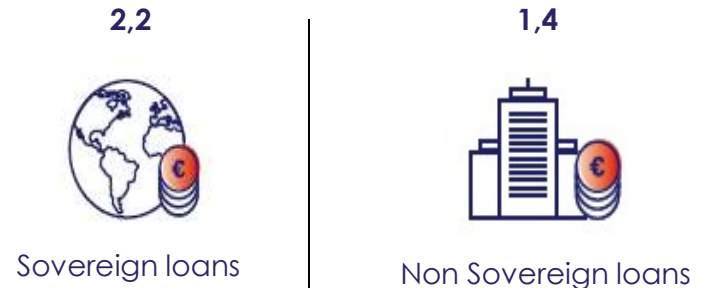

AGENCE FRANÇAISE DE DÉVELOPPEMENT

Who we are?

100% Paris Agreement

Yearly Climate Finance since 2013 in EUR Bn

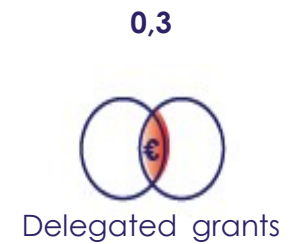

124 Projects

Share of Climate finance

Grants

Delegated grants

CB in a lot of our projects – Focus on NDC facility in the run up of COP21

- What?

- How?

■ DEMAND-DRIVEN:

Eligible countries were invited to submit a formal request to the local office of the Agence Française de Développement (AFD) or the French Embassy, specifying their needs and designating a focal point.

■ COLLABORATIVE:

Country adapted technical assistance provided by Expertise France and endorsed by the country. Expected deliverables were reviewed and validated by both the beneficiaries and the project team. The approach has stuck to the identified needs.

■ FAST TRACK:

Expertise France has ensured a fast deployment of the required expertise with the support of international and national experts.

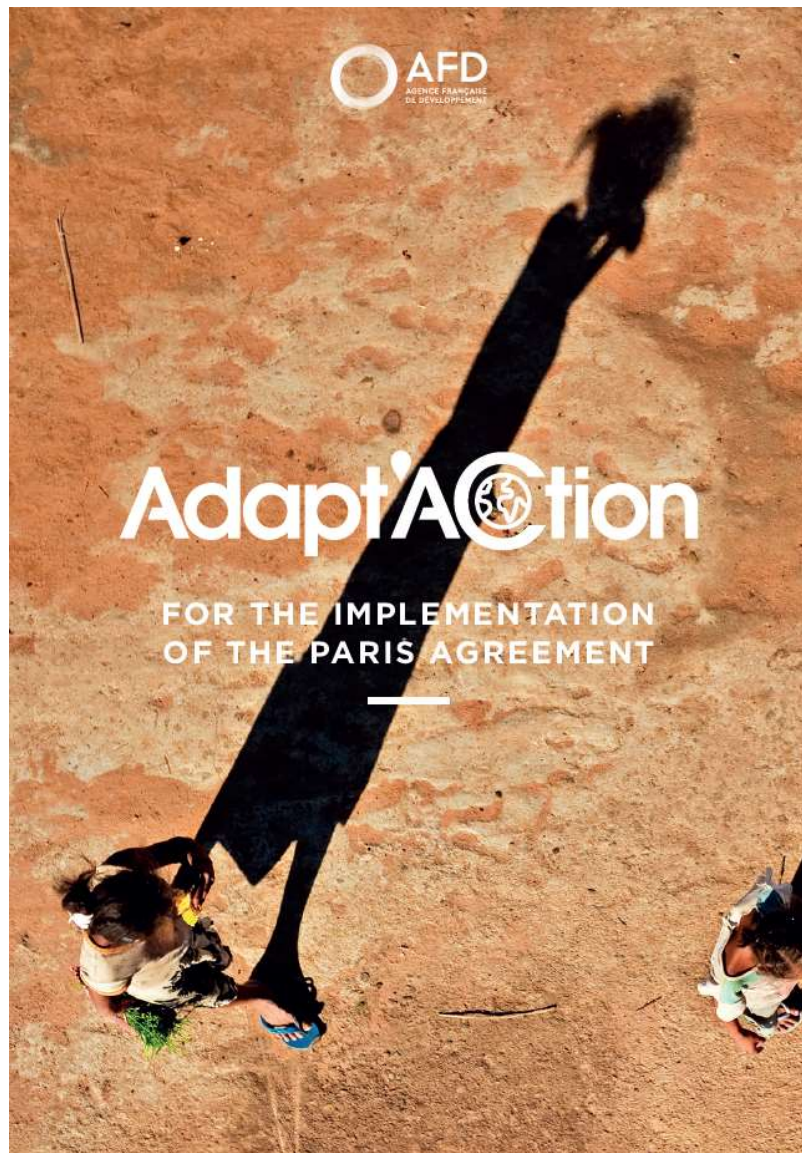

■ QUALITY INSURANCE:

All deliverables produced were reviewed by highly qualified international senior experts to ensure that a high standard quality process is followed.

AMOUNT OF THE GRANT:
3,5 MILLION EUROS

Challenges and impacts

- Done in a hurry! (need confidence)
- Coordination as a challenge
- Appropriation and governance (Interministeriality).
- Involment of civil society
- Data quality
- High level engagement

4 years (2017-2021)

3 Components

Component 1	Component 2	Component 3
<p>Support for the strengthening of institutional capacities and « climate » governance for the implementation and monitoring of the NDCs</p>	<p>Support for the translation of NDCs into sectoral public policies and action plans, in the field of adaptation to CC</p>	<p>Support for the preparation of structural and transformational programmes in the field of adaptation, to be financed by bilateral or international donors and funds (GCF)</p>
		

Our internal capacity building

Lessons learned

- **It starts internally: ADF new staff is regularly trained on climate change issue.**
- **No one size fits all CB**
- **Complement our financial support**

Thank you
