Proposal by the President

Draft decision -/CMA.3

Report of the Adaptation Committee for 2019, 2020 and 2021

The Conference of the Parties serving as the meeting of the Parties to the Paris Agreement,

1. *Welcomes* the work of the Adaptation Committee in 2019, 2020 and 2021 and *takes note* of the Adaptation Committee 2019, 2020 and 2021 reports;¹
2. *Welcomes* the technical support and guidance provided by the Adaptation Committee for enhancing implementation of adaptation action and support and *underlines* the importance of balanced, clear and relevant recommendations for all workstream activities in its workplans;
3. *Welcomes* the flexible workplan of the Adaptation Committee for 2022–2024;²
4. *Invites* the Adaptation Committee to improve its efforts to measure the outreach of its events and publications by including, in its flexible workplan, the collection of statistics disaggregated by gender and region on its awareness-raising, outreach and information-sharing efforts such as events and publications;
5. *Requests* the Adaptation Committee to resume holding its regular meetings and events in person while offering the option of virtual attendance to ensure inclusive participation, including by observers, while acknowledging the challenges posed by online participation;
6. *Also requests* the Adaptation Committee, with the engagement of Working Group II of the Intergovernmental Panel on Climate Change, as appropriate, to expedite its work, to ensure delivery within the mandated timelines, on developing the draft supplementary guidance for voluntary use by Parties in communicating adaptation information in
