I. Scope

1. These rules and procedures shall apply to the Advisory Board of the Santiago network (the “Advisory Board”) in accordance with decision [12/CMA.4](#), endorsed by decision [11/CP.27](#), and decision [6/CMA.5](#), endorsed by decision [2/CP.28](#), as well as any other relevant decisions of the governing body or bodies.

10. If a member is temporarily unable to serve in the Advisory Board, the Advisory Board shall, at the request of that member, invite the group, constituency, or the ExCom, to replace said member in an ad interim capacity for a period of up to one year from the date of that request.

29. The Advisory Board shall hold its meetings at the location of the Santiago network secretariat head office, unless otherwise decided by the Advisory Board and subject to the necessary arrangements being made, and may hold meetings in hybrid (in person and virtual) format. Decisions on the location of meetings other than the location of the Santiago network secretariat shall take into account the costs and benefits of venue rotation, particularly in developing countries and with respect to facilitating the participation of key stakeholders, as well as the location of the ExCom meetings.

30. The Advisory Board may decide to hold meetings virtually on an exceptional basis and when required to advance its work, as proposed by the co-chairs after consultation with the Advisory Board.

31. In arranging virtual meetings, the Advisory Board shall consider the working modalities of such meetings, including the fair and balanced choice of timing in light of the time zones of members, with the aim of ensuring inclusive and effective participation of all members.

32. At the first Advisory Board meeting of each calendar year, the co-chairs shall propose a schedule of meetings for that calendar year.

33. At each meeting, the Advisory Board will confirm the dates, duration and venue of the following meeting.

34. If changes to the scheduled or additional meetings are required, the co-chairs shall, after consultation with the Advisory Board, request the secretariat to give notice of any

changes in the dates of scheduled meetings and/or of the dates of additional meetings to members and representatives, and observers. To the extent possible, notice of a meeting shall be given at least four weeks before the opening of that meeting.

IX. Quorum

35. At least 10 of the Advisory Board members, as laid out in paragraph 3, must be present at a meeting to constitute a quorum. Members participating in meetings virtually will count towards quorum. A quorum shall be established prior to the commencement of each meeting.

36. A quorum shall be confirmed by the co-chairs immediately prior to the adoption of any decision by the Advisory Board.

37. A member may ask for a confirmation of quorum prior to the commencement of a meeting or prior to the adoption of any decision by the Advisory Board.

X. Agenda and documentation for meetings

38. The co-chairs, assisted by the secretariat, shall prepare the provisional agenda for each meeting as well as a draft report on the meeting.

39. Members and representatives may propose additions or changes to the provisional agenda, in writing, to the secretariat within one week of receiving the provisional agenda, and these additions or changes shall be included in a revised provisional agenda prepared by the secretariat with the approval of the co-chairs.

40. The secretariat shall transmit the revised provisional agenda for a meeting to the members and representatives of the Advisory Board at least four weeks prior to that meeting. The revised provisional agenda may be transmitted after that date with the approval of the co-chairs.

47. The co-chairs, acting together and in good faith, and following consultations with all members, shall determine whether all efforts at reaching consensus in respect of a particular draft decision have been exhausted.

48. In making such a determination the co-chairs shall take into consideration:

(a) Whether consultations on the relevant matter have occurred during and/or between meetings, including between the co-chairs, without consensus being reached;

(b) Whether the subject matter of the draft decision has been considered at prior meetings without consensus being reached;

(c) Whether and how many members have indicated that they cannot join consensus on a decision.

49. Each member shall have one vote. For the purpose of this rule, “members present and voting” means members participating in the meeting (both in person and virtually) at which voting takes place and casting an affirmative or negative vote. Members abstaining from voting shall be considered as not voting for the purpose of determining the four-fifths majority.

XII. Process for intersessional decision making:

50. The Advisory Board may take a decision without meeting on an extraordinary basis when, in the judgment of both co-chairs, such a decision should not be postponed to the next Advisory Board meeting. In such a case, the secretariat, with the approval of the co-chairs, shall transmit to Board members a proposed decision with the invitation to approve the decision on a non-objection basis for a prescribed period (generally 21 days but in urgent cases no less than one week). Copies of such a proposal shall be provided to the representatives for their information.

51. The provisions on quorum and other rules set forth in these rules of procedure shall apply *mutatis mutandis* to the aforementioned procedure.

52. In the absence of an objection by an Advisory Board member within the prescribed period, the decision will be deemed taken upon the expiration of the prescribed period. If an objection is received within the prescribed period, the co-chairs will work to resolve the concerns of the objecting Board member(s) directly. If the objecting Board member(s) uphold their objection following discussion with the co-chairs, the proposed decision will be considered by the Board at the following Advisory Board meeting. The secretariat shall circulate all written comments and objections to Advisory Board members and representatives and notify all members and representatives of the action taken pursuant to this paragraph.

53. Decisions approved between meetings shall be recorded in the report of the following Board meeting.

XIII. Use of electronic means of communication

54. The Advisory Board may use electronic means of communication to facilitate work and to take decisions in accordance with guidelines to be agreed by the Advisory Board. The secretariat shall ensure that a secure and dedicated web interface is established and maintained to facilitate the work of the Board.

XIV. Participation of observers in meetings

55. Advisory Board meetings will be open to observers, unless otherwise decided by the Advisory Board, and the Advisory Board will invite observers from relevant constituted bodies, civil society organizations and other organizations, bodies, networks and experts to attend its meetings in order to provide technical expertise and inputs, as appropriate, to the Advisory Board for its deliberations.

56. The Advisory Board may decide on additional procedures for the participation of observers.
